**JANUARY 15, 2019 TUESDAY 12:00 P.M. VOL. 80 NO. 15**

## THIS TUESDAY

President Cindy spent two days help feeding our float workers. She will give the details of what it takes to build a float.

## LAST TUESDAY

Lt. Governor Bill Tema made his official visit to our club. Bill would like members to attend the Cal-Nev-Ha Governor Rocci Barsotti's visit on February 19. Our club will be sending Cindy to represent us.

Bill's theme is "Tema horses change the children of the world". Over \$83 million has been raised for the Eliminate Project and over \$1.8 has been raised for the Cal-Nev-Ha Foundation for Pediatric Trauma. Internationally just in the last year Kiwanis has completed 150,000 service projects and raised over \$1 million. Over 600,000 Kiwanians have completed 18 million service hours.

When International President Florencio "Poly" Lat was selected three years ago he found out he had stage 4 lung cancer. He has a wonderful testimony of how God has healed him and allowed him to fulfill his dreams. President Cindy is pictured with him.

Matt Smith is announcing the January 2 Ronald McDonald Meals of Love. The theme is casserole with the Main Dish by Dawn Tarin and Bob Rodenbucher, Salad by Ron Dorazio and Kathy Perini, Bread by Jerry Jambazian, Drinks by Matt Smith, Dessert by Dave Seltman and Cindy Vance. Matt is the driver.

Carole Rodenbucher visited. Janet Smith has agreed to be the new Temple City Relay For Life lead. Mike Lepore has celebrated another birthday. Ronald McDonald Meals of Love will be announced.

## STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the students from Emperor was teacher Mrs. Shelley Scanlan and Vice Principal Ms. Myra Ruedel.

Jack is 11 years old and in Miss Trieu's class. He has an older sister and enjoys all sports and history. Jack said, "The best things about Emperor Elementary are the dedicated teachers, the students, and classrooms". The best thing that ever happened was going to the recent MLB World Series Game at Dodger Stadium. If he could change one thing, it would be to not have people be so mean. If he could build one thing, it would be a robot that could catch and throw a ball. Personal goals are to get a better grade in math (from a B to an A), get a double double in basketball in every game, and help others as much as possible.

Evon is 11 years old and in Mr. Giangregorio's class. She has an older brother and enjoys drawing, painting, and reading. Evon said, "The best things about Emperor Elementary are everyone is kind to each other, none of the teachers are very strict, there is always someone at school that could be your friend". The best things that ever happened was when she met her friends and got her computer. If she could change one thing, it would be to stop world pollution. Personal goals are to become bigger and taller, become better at art, and grow up to be a healthy good person.

Allison is 11 years old and in Mrs. Scanlan's class. She enjoys playing the piano. Allison said, "The best things about Emperor Elementary are great teachers, the many assemblies and activities that other schools don't have, and all the new technology available". The best thing that ever happened was celebrating Christmas for the first time. If she could change one thing, it would be to make herself a better person, by being more respectful, and more responsible. If she could build one thing it would be an important landmark. Personal goals are to get good grades this year, get into Algebra I in the 7th grade at Oak Avenue, and go to a great college like Stanford.

## QUOTE OF THE WEEK

"There has not been one single bacon recall in 2018, but there have been several vegetable recalls...just saying"

See you Tuesday, Jerry
