FEBRUARY 19, 2019 TUESDAY 12:00 P.M. VOL. 80 NO. 20

THIS TUESDAY

Steve "Mr. Pancake" Montesanti will wrap up last minute details about our breakfast. We will welcome the Royal visit from ten first graders. We will also welcome Students of the Month from the Dr. Doug Sears Learning Center.

LAST TUESDAY

Tuesday was sweetheart day with spouses in attendance. There was some ambiguity between husband and wife as the number of wedded bliss was discussed, and discussed. Carole Rodenbucher with 51, Judy Lepore with 56, Barbara Dorazio with 56, Cheryl Robuck with 39, Lisa Montesanti with 42. Fernando Vizcarra brought his daughter, Laura. Steve and Lisa ran the illegal Valentine Bingo Card game.

Everyone should be selling their Pancake Breakfast tickets for the morning of the parade. Cindy warned everyone about getting the flu. Fern is getting his bathroom remodeled, and the Rodenbuchers are planting a new tree.

We have had two recent bumper sticker sightings. One provided by Longden Principal Aaron Chang and the other by Dawn Tarin. This should put to rest the member comments about never seeing one on a car.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. The students were accompanied by Emperor Principal, Dr. Linda Chang and math teacher Mr. Greg Giangregorio.

Theo is 10 years old and in Mrs. Scanlan's class. He has a younger brother and enjoys video games, math, and basketball. Theo said, "The best things about Emperor are my math classes, the librarian Mr. Rodriguez, and the Manga section in the library". The best thing that ever happened was winning the Math Olympics. If he could change one thing, it would be to have no homework for students forever. If he could build one thing, it would be a mansion for himself. Personal goals are to become an entrepreneur, to be world famous in a positive way, and become a famous Youtuber.

Grace is 12 years old and in Ms. Trieu's class. She has a younger brother and enjoys playing baseball, art, dance, singing, and cars. Grace said, "The best things about Emperor are all my friends, the teachers, and SSA (Safe Schools Ambassador)". The best thing that ever happened was when her brother came into the world. If she could change one thing, it would be to stop all the killing. If she could build one thing, it would be to build up kindness. Personal goals are to get better grades, be a better person, and make better and more friends.

Winnie is 12 years old and in Mr. Giangregorio's class. She has a nine-month-old brother and enjoys drawing, swimming, reading, and origami. Winnie said, "The best things about Emperor are being able to learn new things, my friends, and recess". The best thing that ever happened was getting a baby brother. If she could change one thing, it would be to end world hunger. If she could build one thing, it would be a giant ice cream museum for anyone that love ice cream. Personal goals are to improve her art skills, learn to play the piano, and to become an Interior Designer when she grows up.
