MARCH 19, 2019 TUESDAY 12:00 P.M. VOL. 80 NO. 24

THIS TUESDAY

We will be dark this Tuesday. Meet at North Woods parking lot on Thursday at 11:20 to carpool to Villa Esperanza for Division 10 Interclub.

LAST TUESDAY

Thank you to Helen Marston for bringing us Nancy Chan. She is an Account Executive and Vice President of Lawyers Title. She began her talk explaining the American dream her family had in the 70's by coming to America. Her topic was Elder Abuse and Title Frauds.

The dream of home ownership remains one of the most important goals for many people. Unfortunately, real estate scams can steal these dreams and have a serious long-lasting impact on its victims. The most common examples of fraud are: Foreclosure Rescue, Mortgage Elimination, Equity Skimming, Equity Fraud, Fraudulent Loan Origination, Land Fraud, and Rental Fraud.

Propositions 60, 90, and 110 are constitutional amendments approved by the voters of California. They provide for the transfer of a property's base year value from an existing residence to a replacement residence, under certain conditions, for qualified persons over the age of 55 or persons of any age who are severely and permanently disabled.

Guest for the day included a friend of Jim Robuck, Jeff Warner, Past Lt. Governor Jan Robertson and husband Ron. Tom Millham has reported that Jackie Millham came home from the hospital a few weeks ago and then recently suffered a fracture of her femur. She is at the Mission Care and Rehab Center in San Gabriel. Because of Spring Break, Cloverly will do Ronald McDonald Meals of Love in May instead of April. We will provide meals on Wednesday, April 3. The theme is beef with the main dish by Matt Smith and Jerry Jambazian, Salad by Steve Montesanti and Helen Marston, Bread by Kathy Perini, Dessert by Dawn Tarin and Rob Rodenbucher, Drinks by Ron Dorazio.

Ron Dorazio reported that the Key Club Prom for seniors was a huge success. The folks at Santa Anita Convalescent Hospital thoroughly enjoyed all the fun things provided for them. Congratulations to President Samantha Chang and the 15 Key Clubbers for a great service project by bringing joy to our seniors.

With a great deal of sadness we report the passing of 22-year member, Bill Hohl. He was a 29 year friend of Mike Lepore. Family will be arriving soon with a Memorial Service planned soon at Pierce Brothers Dignity in San Gabriel. Details will be available soon.

The Division 10 DCM scheduled for March 21st will be held as an Interclub with the Aktion Club of the San Gabriel Valley and with the Aktion Club of Villa Esperanza Services on Thursday, March 21st at 12:00 Noon. Lunch will be provided by the Stonefire Grill and the cost will be \$20 per person attending. The DCM will take place on the Campus of Villa Esperanza Services, which is located at 2116 East Villa Street, Pasadena, CA 91107. The only parking that will be available is "street parking", and it is strongly suggested that attendees try to car pool. We will be carpooling at 11:20 at Northwoods.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. The teachers/administrators that accompanied the students from Emperor were teacher Miss Roxanne Trieu, Principal Dr. Linda Chang, and Superintendent Dr. Kimberly Fricker.

Alani is 12 years old and in Mrs. Scanlan's class. She has two brothers and enjoys reading and painting. Alani said, "The best things about Emperor are the teachers, my friends, and the education I receive". The best thing that ever happened was transferring to the TCUSD and meeting her true friends. If she could change one thing, it would be the violence and disasters around the world. If she could build one thing, it would be a home where the poor and homeless would be provided with their needs. Personal goals are to become a scientist, be awarded with the Presidential Award, and to write and publish a book.

Rachel is 12 years old and in Miss Trieu's class. She has a younger sister and enjoys skiing, reading, hiking, and art. Rachel said, "The best things about Emperor are the teachers, my friends, and learning new things". The best thing that ever happened was getting her puppy Bandit. If she could change one thing, it would be to end the violence. If she could build one thing, it would be a place for the homeless where they can live and get jobs. Personal goals are to attend a Ivy League College like Harvard, get straight A's throughout her remaining school years, and ski a double-black diamond.

Lucy is 11 years old and in Mr. Giangregorio's class. She has a twin sister and brother and enjoys playing volleyball and basketball. Lucy said, "The best things about Emperor are her friends, the education I receive, and my teachers". The best thing that ever happened was being chosen to attend the Kiwanis Club for Students of the Month. If she could change one thing, it would be to become more social. If she could build one thing, it would be a time machine to go back and correct some mistakes. Personal goals are to get good grades, winning most of her basketball and volleyball games, and to become the best kid her parents meant her to be.
