APRIL 23, 2019 TUESDAY 12:00 P.M. VOL. 80 NO. 29

THIS TUESDAY

Another mystery program.

LAST TUESDAY

Jennifer Pedraza provided our program today. Faith Perez and Gabriella Pedraza spoke of their quest for the Silver Award. Girl Scouts of America are 2.6 million strong—1.8 million girls and 800,000 adults who believe in the power of every G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader) to change the world. Bronze is for 3-4 grades, Silver for 7-8 grades, and Gold for high school freshmen.

The extraordinary journey began more than 100 years ago with the original G.I.R.L., Juliette Gordon "Daisy" Low. On March 12, 1912, in Savannah, Georgia, she organized the very first Girl Scout troop, and every year since, we've honored her vision and legacy, building girls of courage, confidence, and character who make the world a better place.

Girl Scouts are the preeminent leadership development organization for girls. With programs from coast to coast and across the globe, Girl Scouts offers every girl a chance to practice a lifetime of leadership, adventure, and success. The Mission: Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Congratulations to Myra Ruedel for being appointed Principal at Emperor Elementary School. Ron Dorazio is doing a little better each week recovering from knee surgery. He has progressed a little slower than his first knee surgery. Our thoughts are with Lisa Montesanti upon her sister Jackie's untimely passing.

Visitors for the day were Rosemead Club Ron and Jan Robertson. Helen Marston returned from spring vacation at Lake Tahoe. Dawn and Jose Tarin are happy they were able to take a photo in front of Notre Dame before the tragic fire.

Congratulations to Matt and Janet Smith upon the birth of Kayden Jack Smith to Cary and Polly Smith. Proud Great Grandpa is Jack Barrie. Happy uncle is Kyle Smith along with cousin Skyler.

On Tuesday, May 14, there will be a vote to approve the revised bylaws and the proposed slate of officers for the 2019-2020 year. Mike "I'm workin on it" Lepore offers these stellar picks: President, Cindy Vance; Vice-President, Fern Vizcarra; Treasurer, Dawn Tarin; Secretary, Ron Dorazio; IPP, Cindy Vance; Directors: Matt Smith, Jerry Jambazian, Mike Lepore, and Steve Montesanti.

STUDENTS OF THE MONTH

We welcomed two outstanding students from the Dr. Doug Sears Learning Center! Accompanying the students was Mr. Raul Acevedo, School Counselor.

Andrew is 18 years old and has a younger brother. He enjoys building cars and electrical work. Andrew said, "The best things about the Learning Center is the overwhelming support I receive, the wonderful staff, and the constant reassurance". The best thing that ever happened was getting his car. If he could build one thing, it would be a better engine for his car. Personal goals are to have 400 horsepower, reach his body weight goal, and be the best version of himself.

Brandon is 18 years old and has three brothers and sisters. He enjoys listening to music, going different places and meeting new people. Brandon said, "The best things about the Learning Center are the great staff, the way things are taught, the overall school". The best thing that ever happened was coming into this world, being given life and it's many choices. If he could change one thing, it would be to not stay up late. If he could build one thing, it would be his reputation so he can be remembered as a person who cares. Personal goals are to make money, better himself through increased knowledge, and to make his dreams come true.
