THIS TUESDAY

Jerod Dever will tell us everything we wanted to know about mosquitos.

LAST TUESDAY

We did not have a program. We welcomed our Students of the Month and voted on the revised bylaws including the revision to send out the dues statements by August 15 of each year with a due date of September 30. A late fee MAY be imposed by a vote of the Board of Directors.

The slate of officers for the 2019-2020 was voted upon and approved. The officers are as follows: President, Cindy Vance; Vice-President, Fern Vizcarra; Treasurer, Dawn Tarin; Secretary, Ron Dorazio; IPP, Cindy Vance; Directors: Matt Smith, Jerry Jambazian, Mike Lepore, and Steve Montesanti.

Bob Rodenbucher has tickets for sale for the annual Temple City Sportsmen Club Fish Fry this Saturday at the Arcadia Center (near the race track). It is a great all-you-can-eat dinner with prizes for almost everyone. All this for \$15.

We welcomed into the club Ron and Jan Robertson. They are long-time members of the Rosemead club. Jan is a former Kiwanis Lt. Governor with a background in Child & Family Studies. She is a tutor in English and Hebrew. Ron is a retired hardware store owner in Pasadena. Welcome Jan and Ron.

Matt Smith is announcing Ronald McDonald Meals of Love for Wednesday, June 5: The theme is casserole with the Main Dish by Dave Seltman and Cindy Vance, Salad by Matt Smith and Jerry Jambazian, Bread by Dawn Tarin, Dessert by Steve Montesanti and Helen Marston, and Drinks by Bob Rodenbucher. Driver is Matt Smith.

STUDENTS OF THE MONTH

We welcomed four outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher Mrs. Roxanne Trieu and Principal Myra Ruedel.

Carissa is 12 years old and in Mrs. Scanlan's class. She has a younger brother and sister and enjoys playing the piano, swimming, reading books, drawing, and art class. Carissa said, "The best things about Emperor Elementary are my friends, students, teachers, playground, and learning new things". The best thing that ever happened was playing the piano in Carnegie Music Hall last summer. If she could change one thing, it would be to allow her family to have a dog. If she could build one thing, it would be a famous castle with art pieces in it. Personal goals are to live a long and happy life, become a successful animator, and read thousands of books.

Helen is 11 years old and in Mr. Giangregorio's class. She has an older sister and enjoys art and basketball. Helen said, "The best things about Emperor Elementary are the teachers, school spirit, and the time restrictions". The best thing that ever happened was getting better in math. If she could change one thing, it would be to stop animal abuse. If she could build one thing, it would be a animal shelter. Personal goals are to get straight A's, become better at drawing, and be a better person.

Caymin is 12 years old and in Mrs. Trieu's class. He has an older sister and enjoys swimming. Caymin said, "The best things about Emperor Elementary are the students, staff, and minecraft". The best thing that ever happened was being able to make friends easier. If he could change one thing, it would be how shy he was when he was younger. If he could build one thing, it would be a place where Asian Americans could learn about traditions and ways of life. Personal goals are to swim more often, make more friends, and have a best friend.

Jeffrey is 11 years old and in Mrs. Scanlan's class. He enjoys playing basketball and video games. Jeffrey said, "The best things about Emperor Elementary are recess, basketball, and math class". The best thing that ever happened was going to church for the first time. If he could change one thing, it would be that his grandfather did not die before he was born. If he could build one thing, it would be a mansion for his family. Personal goals are to become an NBA player, have good grades, and get into a good college.

"My ability to remember song lyrics from the 80's far exceeds my ability to remember why I walked into the kitchen."
