LAST TUESDAY

Jake Ferntheil was our speaker for the day. He is a product of the Temple City Unified School District. He graduated TCHS in 2014 and the University of Redlands in 2018 completing his Bachelors in Music Education. He is in the process of completing his teaching credential wanting to follow in his father's footsteps and a music instructor. Jake comes from a family of educators. His mother, Kristie, is retiring from teaching math after 34 years.

Jake admitted that he was an introvert. I don't see how he had time to be an introvert taking 12 classes and 18 units. No wonder he was experiencing burnout in his Freshman year. For some reason Jake did not mention his football career at TCHS. I remember watching him play.

His instrument of choice is the trumpet having appeared in *Guys & Dolls* and being a part of the Herald Trumpeters in the Tournament of Roses Parade.

President Cindy Vance did a great job presenting our Kiwanis Scholarships along with the Elmer Black Family Scholarship at the recent Senior Scholarship Awards Ceremony on Wednesday. The recipients were Sarah Flaherty and Mason Fessenden. Sarah always has a smile on her face even after facing tragedy in her life when her father passed away one week before the Spring Musical in March. Mason has faced a life without sight. He is an entrepreneur creating braille menus for restaurants. He sang beautifully *Lean On Me* at Wednesday's Senior Awards.

Ron and Jan Robertson just completed a train trip to Canada. Sounds like fun. Matt Smith returned from Hawaii only to face foot surgery. Jim Robuck is celebrating another birthday. Sharon Johnson is inviting you to the Blue Star Banner Program semi-annual dinner this Friday. The speaker will be World War II Veteran Art Del Rey who just happens to be Ron Dorazio's father-in-law and Barbara's father. First Baptist Church, Woodruff and Baldwin at 7 p.m. in the gymnasium.

75th ANNIVERSARY OF D-DAY

The Normandy landings were the landing operations on Tuesday, 6 June 1944 of the Allied invasion of Normandy in Operation Overlord during World War II. Codenamed Operation Neptune and often referred to as D-Day, it was the largest seaborne invasion in history. The operation began the liberation of German-occupied France (and later western Europe) from Nazi control, and laid the foundations of the Allied victory on the Western Front.

Planning for the operation began in 1943. In the months leading up to the invasion, the Allies conducted a substantial military deception, codenamed Operation Bodyguard, to mislead the Germans as to the date and location of the main Allied landings. The weather on D-Day was far from ideal and the operation had to be delayed 24 hours; a further postponement would have meant a delay of at least two weeks as the invasion planners had requirements for the phase of the moon, the tides, and the time of day that meant only a few days each month were deemed suitable. Adolf Hitler placed German Field Marshal Erwin Rommel in command of German forces and of developing fortifications along the Atlantic Wall in anticipation of an Allied invasion.
