AUGUST 6, 2019 TUESDAY 12:00 P.M. VOL. 80 NO. 43

THIS TUESDAY

We will not have a speaker for the day, instead we will have our regular Board Meeting. Please don't let this keep you from attending, all are welcome for input no matter if you hold office or not.

LAST TUESDAY

Jan Robertson have an excellent presentation of traveling by train. Jan and Ron are no strangers to us and Kiwanis having transferred to our club from Rosemead. In 1987 Frank DiNoto was International President from the Rosemead Club. That was the year that Kiwanis voted to allow women members. Jan was one of two women that Frank recruited to join Rosemead Kiwanis.

Jan and Ron have been all over the world traveling by train. Looking at her photos it is an excellent way to see sights that you would not normally see from a plane going 600 miles an hour. Most of their travels have been to Kiwanis International Conventions in Canada, United States, and Japan which they were able to ride the bullet train.

There's a romance to train travel — the leisurely pace of a rail trip compared to the hustle of an airport or a crowded highway encourages you to relax. There are the historic train stations and roomy seats, plus the chance to get up and walk around, visit the dining car, or just sit and take in the scenery passing by. There are many train journeys you can take across the United States, with stops in exciting cities, historic landmarks, and national parks along the way. From Napa Valley to New England, including Europe and Asia.

It's sad, but true, that the golden age of rail travel has passed, crippled first by the automobile and then brought to near-death by the passenger airplane. Johnny Cash sang about a future in which he'd have to explain to his child what trains were. Well, the days of luxurious Pullman sleeper cars and meals of pheasant and lobster are gone from this land, but train travel is still an option in many parts of the United States. It isn't the fastest, it isn't the cheapest, but it is undoubtedly the most relaxing form of travel: no long drive to the airport, no getting accosted by security guards, no cramped seats, no driving long hours, no getting lost, no having to pull over for the bathroom.

Matt Smith's schedule for the August Ronald McDonald Meals of Love is Wednesday, August 7. The theme is Ground Beef. Main Dish by Dawn Tarin and Bob Rodenbucher, Salad by Ron Dorazio and Kathy Perini, Bread by Jerry Jambazian, Drinks by Matt Smith, Dessert by Dave Seltman and Cindy Vance. Driver is Matt Smith.

Matt Smith was scheduled for his skin graft on the wound on his foot, after putting him under the surgery was delayed for several weeks. Also, for Cindy Vance recovering from cataract surgery. She can hardly wait to drive again. Cindy has had a few complications she hopes to overcome.

Dawn and Jose Tarin are happy that their daughter Beth has completed her Field Patrol Training at Temple Station and is allowed to go on patrol by herself. On a personal note: This is a dangerous job and deserves the respect of all citizens, good and bad.

Steve Montesanti celebrated his birthday by jumping into the pool with his grandsons and eating some homemade goodies by Lisa. Ron Robertson has been approved for a nerve block. I would like to be approved for a block for people that get on my nerves. Matt and Janet celebrated their 38th Wedding Anniversary. We had our biggest night at the concerts last week with \$459.

Key Club D10 South Lieutenant Governor Ryan Bautista has let me know that the Key Clubs of Division 10 South and Division 10 North will be having their annual Region 13 Beach Clean Up at Santa Monica Beach on Saturday, August 10th. They are once again in need of Chaperones for that event. Busing from and back to the Departure Point will be provided for all Chaperones. The Buses will leave the Departure Point at 8:00 AM on August 10th and will arrive back at the parking lot at 6:00 PM. The Departure Point for the Buses will be the K-Mart Parking Lot at 5665 Rosemead Blvd, Temple City. If any of our Club Members are able to help Chaperone for the Key Clubs, first Regional Event, it would be greatly appreciated and a tremendous help.

Interested Members should contact D10 South Lieutenant Governor Ryan Bautista either by email or telephone for additional information or to sign up! By email: d10s.ltg.cnhkc@gmail.com (626) 673-9960.
