OCTOBER 22, 2019 TUESDAY 12:00 P.M. VOL. 81 NO. 4

THIS TUESDAY

Cloverly Principal Stephen Martin Edo will be our speaker for the day. We will also welcome Students of the Month from Longden Elementary School.

LAST TUESDAY

We welcomed the Principal and Assistant Principal from Temple City High School. Richard Lohman has been in education for 22 years. Richard is beginning his 5th year at TCHS having served as Assistant Principal until being appointed Principal this year. Elena Li is beginning her 27th year at TCUSD. Elena taught English at TCHS for 25 years having over 4,000 students come through her classes. She is beginning her 3rd year as Assistant Principal.

The mission of TCHS is to foster the development of all students to become responsible, productive, and respectful citizens who are life-long learners. The vision is to graduates will be productive citizens who have the skills necessary to promote self-worth and independence.

Every student will: Demonstrate competency in reading, writing, math, and technology. Develop a knowledge and awareness of our diverse society. Develop skills in resolving conflicts through positive actions. Develop post high school vocational and/or collegiate goals. Demonstrate a positive, healthy lifestyle.

A personal message from Richard: "I am proud and excited to be serving as the Principal of Temple City High School. I know from experience that each of us in the Temple City community embraces the duty of supporting, connecting with, teaching, and nurturing every child. As we approach the start of another school year, I ask you to remember what has made Temple City High School a special place for kids and learning. It is our mission to maintain the highest expectations for our students while also providing each of them the time, space, and supports necessary to allow them to flourish.

High school is an important time in the lives of our students. Our children navigate a complex world that is bombarding them with conflicting messages about themselves and the world. And yet, the start of each school year is a special time that is filled with the promise of unlimited potential. I am enthusiastic about the prospects of the upcoming academic year and the rewards it has to offer our students and their families.

We, the Temple City staff made of teachers, counselors, custodians, clerical staff and para educators, wish to thank our families for entrusting us with this responsibility".

Some recent accomplishments include the grand opening of the new Aquatic Center, the Band taking 1st place at last Saturday's field show in Rowland Heights. Football and Tennis are mixed with water polo dominating. Skills USA team won in Kentucky. TCHS works with therapy dogs for Longden, teen living classes, Link Crew working with Freshmen students. My all-time favorite the Spring Showcase that introduces 8th grade students at Oak Avenue with the many opportunities associated with TCHS.

Guest included Lisa Montesanti and Watson Gan, Cindy thanked all that helped prepare lunch at the recent Relay For Life. Matt Smith is heading up Ronald McDonald House Meals of Love. Our next date is Wednesday, November 6 with the theme of turkey (not the Turkey that has been in the news lately). Main Dish by David Seltman and Cindy Vance, Salad by Matt Smith and Jerry Jambazian, Bread by Dawn Tarin, Drinks by Bob Rodenbucher, and Dessert by Steve Montesanti and Jan Robertson. Driver is Matt Smith.

STUDENTS OF THE MONTH

We welcomed two outstanding students from the Dr. Doug Sears Learning Center. Their teacher, Mr. Andrew Jahan accompanied them. Mr. Jahan has been at DDSLC for 13 years.

Jacob is 16 years old and has four brothers and sisters. He enjoys football, art, and sleeping. Jacob said, "The best things about the Learning Center are not feeling stressed about going to school, everyone is always communicating and doing fun things, the teachers are helpful and fun to be around and they always keep you on track". The best thing that ever happened was being born. If he could change one thing, it would be to make things easy for people to get help. If he could build one thing, it would be a big homeless shelter. Personal goals are to do better in school, get his credits, and to become healthier.

Ruben is 16 years old and has four brothers and sisters. He enjoys all sports, working at Popeyes Chicken, and video gaming. Ruben said, "The best things about the Learning Center is the decent food, it's quiet, and they help me to set goals". If he could change things, it would be to affect climate change positively and become taller. If he could build one thing, it would be a food bank to store food for the homeless instead of wasting it. Personal goals are to become a plumber, to graduate high school and become financially stable.

KIWANIS KALANDAR

- October 19 - Fall Festival and Car Show at Temple City Park
- October 22 - Principal Stephen Martin Edo from Cloverly Elementary School
- October 29 - Field trip to Ronald McDonald House in Pasadena

- November 6 - Ronald McDonald Meals of Love
- December 10 - Club Christmas Party at the Old Spaghetti Factory, Duarte

QUOTE OF THE WEEK

"When I was little my mom used to feed me alphabet soup claiming I loved it. I didn't really, she was just putting words in my mouth".

See you Tuesday, Jerry
