JANUARY 17, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 16

THIS TUESDAY

Steve Tyre will give us our yearly update in changes to the tax law.

LAST TUESDAY

Our speaker for the day was TCHS Guidance Counselor Cary Smith. Cary is the son of Matt and Janet Smith. He is a former TCHS alum having completed his education at Cal-State Northridge and Berkeley. He lives in Arcadia with his wife Polly.

Cary outlined the improvement in our Key Club in the previous year with 63 paid members and about 20-30 members attending the meetings on a busy club day. The Fall Rally in November saw 33 kids attend.

DCON's offer a wide variety of workshops for members to build leadership skills and improve their clubs. And advisors can connect and learn best practices. From new fundraising ideas to scholarship application tips, there's something for everyone. Learn from other clubs—and share your ideas with them.

The impact is that Key Clubbers come back to their own clubs feeling energized and motivated. And that enthusiasm is contagious! Members come back ready to make a bigger impact through community service. Advisors also leave DCON with resources for guiding a Key Club and a network of other club advisors to reach out to. The DCON will take place in Anaheim this year with the cost of registration alone at \$196 not including hotel. They hope to have 5-10 members attend. In his spare time he has written 34 letters of recommendation for graduating students.

We received a nice Thank You note from the Woman's Club of Temple City. President Carole Rodenbucher thanked us for our support of their highly successful First Annual Christmas Party. Good News, your editor has passed the physical and will be inducted into their club. I think it is important that we help support other clubs in our city.

STUDENTS OF THE MONTH

We welcomed two outstanding students Oak Intermediate School and two from Temple City High School. Accompanying the students was Oak teacher Mrs. Becky French (who is also the daughter of Roger and Barbara Lockie) and TCHS Guidance Counselor Cary Smith.

Ailar is 14 years old and has an older brother. She enjoys being a part of the ASB Band, reading, baking, shopping, and hanging out with family and friends. Ailar said, "The best things about Oak Avenue are the friendly staff, clubs and activities, and the welcoming atmosphere of students and teachers." The best thing that ever happened was becoming ASB President and visiting Iran last summer. If she could change one thing, it would be to end world hunger and poverty in less fortunate countries. Personal goals are to build a refuge home for those trying to escape their own countries, to run for ASB President in her freshman year at the high school, maintain a 4.0 GPA throughout high school, and study at Stanford or Berkeley.

Phillip is 14 years old and has two older brothers. He enjoys playing soccer and video games. Phillip said, "The best things about Oak Avenue are the staff, the electives that are offered, and the soccer team." The best thing that ever happened was when he represented Temple City in a state wide soccer tournament. If he could change one thing, it would be to change the dates of the first day and last day of school. Personal goals are to build a soccer complex in Temple City, get accepted to UCLA, have a great income, and strive to be the best soccer player.

Marcel is 17 years old and a senior. He enjoys basketball, video games, watching movies, and cooking. Marcel said, "The best things about TCHS are teachers and subs are super nice, the reasonable amount of homework, and the many other fun classes to choose from." The best thing that ever happened was when he reached his senior year where everything fell into place. If he could change one thing, it would be to study more on tests and get better grades. Personal goals are to build the world's largest gaming place, to graduate high school and attend college, and to have family and friends.

Nicole is 17 years old and has Mrs. Deanne Sciarrotta as Guidance Counselor. She has a younger brother and sister and enjoys water polo, Peer Listeners, art, ceramics, and music. Nicole said, "The best things about TCHS are the Peer Program, the good teacher student relationships, and the many activities and clubs offered." The best thing that ever happened in her life is the inspiration her younger siblings give her. If she could change one thing, it would be to have more kindness in the world. Personal goals are to build a center for the homeless because it is so cold, get good grades, to open up to people more and help them.
