FEBRUARY 28, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 22

THIS TUESDAY

New member Helen Marston will be our program for the day. As a premier Realtor, she will probably talk about trends in real estate.

LAST TUESDAY

We welcomed the 73rd Camellia Festival Royal Court and Banner Carriers. The happy parents were on hand as the happy 1st graders were interviewed and they received carnival ride tickets from us.

Pancake Breakfast Chairman John Gera began his charge by saying he was not the chairman of the barbeque. John looks like he has all the bases covered. He also thanked those who gave so generously to buy supplies.

Our Valentines Party and dinner was attended by 24 members and spouses. It happened on Valentine's Day +1 at the Old Spaghetti Factory. A big thank you to Steve and First Lady Lisa for planning a great event. A good time was had by all playing Cupid Bingo.

Also, a big thank you to Matt Smith for his work in making sure our Pancake Breakfast banners were installed on the fences at the school sites. Kiwanis Governor Pete Edwards will make his official Division Ten visit on Monday, March 6 at 12 noon. The event takes place at the Rosemead Community Center, 3936 Muscatel, Rosemead. \$20 per person at the door. Cloverly Elementary School will take over Ronald McDonald Meals of Love for March and April.

STUDENTS OF THE MONTH

We welcomed two outstanding students the Dr. Doug Sears Learning Center and Emperor Elementary School. Accompanying the students was DDSLC teacher Mr. Reggie Rios and Emperor teacher Mrs. Shelley Scanlan.

Felix is 16 years old and has an older brother. He enjoys playing video games, and skateboarding. Felix said, "The best things about The Learning Center are not having homework, the teachers and students are nice." The best thing that ever happened was when he was transferred to The Learning Center. If he could change one thing, it would be to change people's views towards other races and genders. If he could build one thing, it would be a Habitat for Humanity. Personal goals are to get good grades, stop being late for school, and to learn to play the guitar and drums.

Marissa is 15 years old and has six brothers and sisters. She enjoys makeup, shopping, singing, dancing, and art. Marissa said, "The best things about The Learning Center are the people there, activities, and the amount of free space." The best thing that ever happened was being able to talk to all her siblings. If she could change one thing, it would be to change negativity into positivity. Personal goals are to build a beauty salon called "Miracle Makeup", graduate, build a relationship with her dad, and make everyone happy.

Allie is 11 years old and in Miss Trieu's class. She has a younger brother and enjoys crafting, hanging out with her friends, and she loves animals and nature. Allie said, "The best things about Emperor are the fun and nice teachers, the fun I have at school, and I have been at Emperor since kindergarten (she adds with no problems)." The best thing that ever happened was going to Nebraska and meeting her cousin Emily, and now they are best friends. If she could change one thing, it would be to not have cancer exist. Personal goals are to build a homeless shelter for the poor, get good grades, graduate college, pursue her dream job, and travel the world.

Nicole is 11 years old and in Mr. Giangregorio's class. She has a brother and sister and enjoys playing tennis and swimming. Nicole said, "The best things about Emperor are the fun assemblies, great teachers, and the clean school." The best thing that ever happened was winning a contest, receiving \$100, and being interviewed on TV. If she could change one thing, it would be to not have people smoking anywhere. If she could build one thing, it would be a machine that made food from anywhere in the world. Personal goals are to attend a good university, become a doctor, and be on a tennis or swim team.

Maxon is 12 years old and in Mrs. Scanlan's class. He has an older sister and enjoys collecting and building Legos, drawing, learning to play the piano, watching old movies and TV shows. Maxon said, "The best things about Emperor are my teachers, my principal Mr. Westgate, and the annual pumpkin carving contest." The best thing that ever happened was being well enough to go back to school after being sick for a whole year. If he could build one thing, it would be a time machine so he could spend time with family members who are now deceased, also, to experience historical events. If he could change one thing, it would be that his grandma's house was never sold. Personal goals are to play the piano, get into a good college, and co-star in a Batman movie as The Joker or The Riddler.
