MARCH 7, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 24

THIS TUESDAY

WE WILL BE MEETING AT THE CITY HALL COMMUNITY ROOM. Denny's will be used for election polling this Tuesday. Thanks to our City Manager, Bryan Cook for allowing us to have our meeting there. John Gera with a Pancake report and Matt with the finances.

LAST TUESDAY

Helen Marston is a true professional Realtor. In a relatively short time relative to others in her industry she has distinguished herself as one of the top producers of Keller Williams Realty. She is a Director of the California Association of Realtors, and the Los Angeles County Board of Realtors, and Helen is President-Elect of the West San Gabriel Valley Association of Realtors. In her spare time she is a mother and a member of the Temple City Planning Commission.

Homes in Temple City priced at 1.8 million and under seem to be selling pretty quick. Homes at 1.9 million and over are taking a little longer. Incoming money from China has slowed some with the restriction of \$50,000 per year and possibly becoming \$10,000 a year.

Proposition 60 only allows you to transfer your base tax value within the same county (intra-county). Proposition 90 allows you to transfer your base tax value from one county to another (inter-county), however only at the discretion of each county. As of November 20, 2014 only ten counties have an ordinance allowing for inter-county.

By all accounts we seemed to have another successful pancake breakfast. Our heartfelt thanks go to the Amida Society. Not only do they continually allow us to have our Pancake Breakfast at their building, they even presented us with a check for \$500. A big THANK YOU to the Amida Society for their community involvement.

Those helping were 3 Key Clubbers and their advisor Mr. Cary Smith along with members John Gera, Dan & June Snell, Matt Smith, Mike Lepore, Mike McVey, Sue Matchett, Ron Dorazio, Jim Robuck, Bob Rodenbucher, Cindy Vance, Steve & Lisa Montesanti, Frank Reudel, Bill Hohl, and Dan Arrighi with two helpers from SGVWC.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School. Accompanying the happy students was their teacher Mr. Randall Green.

Mandy is 11 years old and has a younger sister. She enjoys solving puzzles and framing them, and collecting charm bracelets. Mandy said, "The best things about Longden are the new Chromebooks, Student Council, and having the best teacher anyone could ask for." The best thing that ever happened was when her younger sister was born because she makes everything more interesting. If she could change one thing, it would be to not have the damaging terrorist attacks. If Mandy could build one thing, it would be a device that could bring us to space without oxygen. Personal goals are to get on the honor roll the rest of the year, to not get a grade lower than a B, and finding more friends to make memories with.

Justin is 11 years old and has a younger brother. He enjoys playing water polo, piano, video games, reading, and spending time with his family. Justin said, "The best things about Longden are my friends, the safe campus, and warmhearted teachers." The best thing that ever happened was being born into such a great family. If Justin could build one thing, it would be a teleportation device that can transport people to any desired location. Personal goals are to go to a famous college such as MIT, Princeton, or Harvard, to do something important for this world, such as discovering a new dimension where humans can survive.

Vernice is 11 years old and enjoys drawing, reading, and texting her friends. Vernice said, "The best things about Longden are the school activities, her Principal Mrs. Hong, and her teacher Mr. Green. The best thing that ever happened was meeting all her friends. If she could change one thing, it would be to stop all violence and terrorist attacks. If she could build one thing, it would be a teleporter. Personal goals are to get good grades, go to a good college, and be successful in life.

QUOTE OF THE WEEK

"Tomorrow is the most important thing in life. Comes into us at midnight very clean. It's perfect when it arrives and it puts itself in our hands. It hopes we've learned something from yesterday." - *John Wayne (1907 - 1979)*
