**JANUARY 16, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 16**

### THIS TUESDAY

President Steve would like to hear from you about new service projects or ideas that you might have.

### LAST TUESDAY

William Man was first elected to the city Council of Temple City on March 2015 and currently serves as Mayor Pro Tem. Prior to being elected to City Council William served as the chairman of the General Plan Advisory Committee from 2014 to 2015. William grew up in Temple City and has lived here since 1992. He currently works as a civil engineer for the County of Los Angeles Department of Public Works located in Alhambra. During the weekends William enjoy spending time with his wife Helen and his son Adrian who just turned two in August. On Sundays William serves as the organist for St. Gabriel's Episcopal Church in Monterey Park which he and his family have attended since 1992.

William spoke about the city going through the Strategic Plan Update. It determines the values the city wants to pursue. Also, it has been since the 1980's that the city has had a General Plan Update. It is a template of what the city should look like in the future. Single family homes are still the priority. Another subject that Mayor Pro-Tem Man touched on is not so glamorous, Pavement Management. The city recently updated miles of streets including the complete renovation of Temple City Blvd.

One of the top priorities of this city council is public safety. We all know that all cities have been hit with a rash of home burglaries that have plagued our citizens. The city has partnered with Ring to provide security systems at a discount for homeowners. Temple City has been proactive with budgeting more money for saturation patrols. We are fortunate to have a dedicated team at Temple Station. Neighborhood Watch will beginning soon.

We welcomed new member Adrian Preciado and the force behind the NEW Woman's Club, Carole Rodenbucher. Bob Rodenbucher has the sign-up sheet for meals for Dan and June Snell. Mike Lepore thought someone had the same birthday as himself, but it was him.

It is with sadness that we report the passing of long-time member Chuck Shaw having suffered with pulmonary fibrosis. Chuck and Pam had moved to Rancho Cucamonga but were always a part of us. He and Mike Miller were best of friends and are probably playing golf right now. His daughter Sheri has shared the following information: Final Resting Graveside service will be on Thursday, January 18 at 10:00 a.m. at Oakdale Memorial Park, 1401 S Grand Ave in Glendora. The Celebration of Life to follow at 12 noon at the Glendora American Legion, 159 N Cullen Ave, Glendora. If you need any further information please call Sheri Shaw-Ervin (daughter) at 626 527-0784.

Matt Smith is announcing the February 7 Ronald McDonald Meals of Love with the theme chicken. Main Dish by Dawn Tarin and Steve Montesanti, Salad by Ron Dorazio and Bob Rodenbucher, Bread by Dave Seltman, Drinks by Kathy Perini, and Dessert by John Gera and Cindy Vance. Driver is Matt Smith.

### STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher, Miss Roxanne Trieu.

**Kaida** is 12 years old and in Mrs. Scanlan's class. She has four brothers and sisters and enjoys arts, crafts, baking, softball, volleyball, and creating things. Kaida said, "The best things about Emperor Elementary being able to help in the special ed class, the teachers, and the activity privilege." Kaida said, "The best thing that ever happened being a part of a family that I love very much and I am glad I have them. They always support me." If she could change one thing, it would be that people be kinder to each other. Personal goals are to get into a college in Hawaii, get good grades, and be kind to everyone.

**Carolyn** is 11 years old and in Mr. Giangregorio's class. She has an older sister and enjoys dance, baking, reading, photography, piano, flute, art, building furniture, sleeping and eating. Carolyn said, "The best things about Emperor Elementary are being able to participate in many activities such as the Heritage Trip, the dedicated teachers, the robotics and coding classes." The best thing that ever happened was being in dance class since she was five. If she could change one thing, it would be to promote a community of diversity, gender equality, and a safe environment. If she could change one thing, it would be to encourage girls to participate in STEM and computer programming. Personal goals are to create self-love, get into a private school, and help the less fortunate.

**Donovan** is 11 and 5/6th years old and in Mrs. Trieu's class. He has a younger sister and enjoys swimming, improving his math skills, and playing with his cousins. Donovan said, "The best things about Emperor Elementary are learning new things he would not learn at home, making new friends, and to go on field trips to new places." The best thing that ever happened was catching his first fish. If he could change one thing, it would be that his essays would make more sense. If he could build one thing, it would be a teleportation device that did not pollute. Personal goals are to get into CalTech and graduate there as an engineer, get into the honors class, and learn a new sport.

### KIWANIS KALANDAR

January 16 - New ideas and club project will be reviewed.

January 23 - Program to be announced

January 30 - VIP Program

February 6

February 7 - Ronald McDonald Meals of Love

### QUOTE OF THE WEEK

"I always wanted to be somebody, but I should have been more specific."

**See You Tuesday, Jerry**
