JANUARY 30, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 18

THIS TUESDAY

This is the 5th Tuesday of the month and also our VIP day. Our featured speaker and recipient will be Captain David Flores from Temple Station. We will also welcome Students of the Month from Oak Avenue Intermediate School.

LAST TUESDAY

Our featured speaker for the day was Claudia Vazquez. She is the Family Service Manager at Rose Hills Memorial Park and Mortuary. They are part of Dignity which are the largest providers in the world.

She stressed the need for planning. When a loved one passes away you are faced with over 100 decisions that need to be made in as little as 48 hours. Her goal is to assist families prepare for the inevitable with service excellence and compassion.

Bob Rodenbucher reported that the send off for Chuck Shaw was great with 100 classic hot rods at the Memorial Service. February 12th is still open for meals for Dan, see Bob. Bob seems to be the person for Pancake Breakfast donations. Sell those Pancake tickets. Helen and Larry Marston are happy that Dillon is in the upcoming musical.

Matt Smith is announcing the February 7 Ronald McDonald Meals of Love with the theme chicken. Main Dish by Dawn Tarin and Steve Montesanti, Salad by Ron Dorazio and Bob Rodenbucher, Bread by Dave Seltman, Drinks by Kathy Perini, and Dessert by John Gera and Cindy Vance. Driver is Matt Smith.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School. Accompanying the students was their teacher, Mrs. Karen Hsieh.

Jazmin is 11 years old and has three brothers. She enjoys drawing and running. Jazmin said, "The best things about Longden Elementary are the 6th grade playdate on the last day of school, the remodeled rooms, and most of our teachers are nice." The best thing that ever happened was the day she got her pet Chihuahua, Zeus. If she could change one thing, it would be to end world pollution. Personal goals are to build a machine to cure all diseases including cancer, reach her goal for Advanced Reader points, get good grades, and run a seven-minute mile.

Kalvin is 11 years old and has a younger brother. He enjoys playing with computers. Calvin said, "The best things about Longden Elementary are the introduction of Mindstorms, adding scratch, and the tech groups." The best thing that ever happened was receiving Student of the Month. If he could change one thing, it would be to not have fast food served sometimes. If he could build one thing, it would be a robot that takes care of people with Alzheimer's disease. Personal goals are to reach his Advanced Reader goals, get better grades, and achieving Junior Olympics.

Brian is 11 years old and has a younger brother. He enjoys playing basketball with his friends. Brian said, "The best things about Longden Elementary are recess, my friends, and the homework." The best thing that ever happened was when he made a big mistake and didn't get into trouble. If he could change one thing, it would be to not have any bullying. Personal goals are to have more kindness, try and get A's on most tests, get more awards than last year, and make more friends.
