FEBRUARY 6, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 19

THIS TUESDAY

Dr. Doug Sears is so excited to be picked for Honorary Grand Marshal. The former Principal of the Dr. Doug Sears Learning Center (former Learning Center and South High School) will share with us.

LAST TUESDAY

Captain David Flores gave us a glimpse of what it is like to be in charge of over 240 people, with 130 of them being sworn deputies.

He began his career with the LASD 30 years ago, becoming a Sergeant in 2006, Lieutenant in 2013, and appointed Captain by Sheriff Jim McDonnell. Captain Flores is no stranger to Temple Station having been assigned there from 1990 to 1999. He paid tribute to our dedicated team on Deputies Rick Adams, Joe Zuniga, Van Lam, and Sergeant Ron Miranda.

Facts we learned: Crimes are now committed by people in nice cars and suits. Temple Station handles 110,000 calls for service a year. LASD is the largest agency in the world with over 18,000 members. Captain Flores is inviting you to be a member of the LASD team. For every 100 that apply, only 4 are accepted. On a personal note: I am glad we are a contract city and do not have our own police force. LASD has all the resources at our fingertips that help keep us a safe city. Sure, burglaries are up, but they are up in every city. Let's watch out for each other

Matt Smith is announcing the February 7 Ronald McDonald Meals of Love with the theme chicken. Main Dish by Dawn Tarin and Steve Montesanti, Salad by Ron Dorazio and Bob Rodenbucher, Bread by Dave Seltman, Drinks by Kathy Perini, and Dessert by John Gera and Cindy Vance. Driver is Matt Smith.

STUDENTS OF THE MONTH

We welcomed four outstanding students from Oak Avenue Intermediate School. Accompanying the students were their teachers, Mr. David Steinkamp and Mrs. Winnie Joe..

Timothy is 14 years old and has a brother and sister. He enjoys playing the cello, basketball, reading magazines, and shopping on Amazon. Timothy said, "The best things about Oak Avenue are the great teachers and staff members, the sports teams and coaches are excellent." The best thing that ever happened is having a brother and sister who constantly correct, insult, praise, and support him. If he could change one thing, it would be his mediocre time management skills. Personal goals are to build a vending machine that analyzes diseases and dispenses cures, to get accepted into a prestigious university, become a well-paid surgeon someday, and live a great and exciting life.

Annabella is 13 years old and enjoys baking macarons, playing her guitar, and reading. Annabella said, "The best things about Oak Avenue are the extremely educated, and hardworking teachers, the clean and fresh campus, everyone works hard to make sure everyone feels welcomed and no one is left out." The best thing that ever happened was traveling to different countries, and not judging other people based on how they look. If she could change one thing, it would be to give everyone a chance to get the education they deserve. Personal goals are to build a place that helps find housing and jobs for those in need, get into a good college, to get a good job with a steady income to take care of her parents, and to meet new friends all around the world.

Giordano is 13 years old and has a younger brother. He enjoys basketball, reading, video games, cooking, and math. Giordano said, "The best things about Oak Avenue are the amazing teachers and staff, the school spirit, the clubs and activities." The best things that ever happened was going to the Super Bowl in Dallas, and being the Theme Winner of the Camellia Festival three times. If he could change one thing, it would be to end childhood diseases. Personal goals are to build a detector that would give plenty of notice before natural disasters, make it into the NBA, travel the world, and create a great video game.

Katie is 13 years old and has a brother and sister. She enjoys dance and stage managing. Katie said, "The best things about Oak Avenue are the great teachers, everyone is welcoming and friendly." The best thing that ever happened was spending time with her family in Lake Tahoe. If she could change one thing, it would be the amount of waste the world has. Personal goals are to become self-confident, manage her time well, and to be more out-going and not so shy.
