Our Big Pancake Breakfast will take place this Saturday. If you are reading this and don't have an assignment yet, contact Steve Montesanti.

Ron Dorazio is making good progress after successful knee replacement surgery. Carole Rodenbucher attended our meeting. Mike reported that Dan and June Snell are getting a little weaker and are both in a hospital bed.

We had our Annual Valentine Party at the Old Spaghetti Factory on February 13. Those attending and years married: Steve & Lisa Montesanti (40), Jerry & Pat Jambazian (54), Rob & Carole Rodenbucher (50), Matt & Janet Smith (37), Jim & Cheryl Robuck (36), Tom & Marie (11), John Barbara Gera (57), Mike & Judy Lepore (55), and Fern & Joan Vizcarra (50).

STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. and two from the Dr. Doug Sears Learning Center. Accompanying the students were Emperor teacher Mr. Greg Giangregorio and Ms. Delores Lopez from the Learning Center.

Malia is 11 years old and in Mr. Giangregorio's class. She has an older sister and enjoys playing soccer, musicals, acting, singing, dancing, crafting, and decorating. Malia said, "The best things about Emperor Elementary are being able to participate in the talent show, making lots of friends, and learning at Emperor is fun." The best thing that ever happened was getting her dog Kona who always makes her smile. If she could change one thing, it would be to end bullying and picking on people. If she could build one thing, it would be a white chocolate pool with a dark chocolate Jacuzzi. Personal goals are to have good grades, get taller, and become an amazing singer and actress.

Hallie is 11 years old and in Mrs. Scanlan's class. She has a younger sister and enjoys dancing. Hallie said, "The best things about Emperor Elementary are the caring teachers, learning new things, and we get to have fun." The best thing that ever happened was getting the best ever teacher, Mrs. Scanlan. If she could change one thing, it would be to stop wars. If she could build one thing, it would be a home for the homeless. Personal goals are to become great at dancing, attend great schools, and always believe she can do anything.

Lucas is 11 years old and in Miss. Trieu's class. He has a younger sister and enjoys gaming, reading, writing, swimming, music, comedy, ice skating, cooking, and hiking. Lucas said, "The best things about Emperor Elementary are the nice people, the education we receive, and it is dust-free because of my allergies." The best thing that ever happened was being fortunate to live in a free country, and have such accomplished parents. If he could create one thing, it would be jobs for the homeless and poor. Personal goals are to be an amazing straight A student, extend his vocabulary, and get out of his comfort zone.

Hunter is 16 years old and has two brothers and two sisters. She enjoys reading, and spending time with her friends and family. Hunter said, "The best things about The Learning Center is the welcoming and kind environment, one-on-one help from teachers, and the work load is not overbearing." The best thing that ever happened was coming to the Learning Center because it helped her realize what she wants for a career. If she could change one thing, it would be to try as hard as she knew she could. If she could build one thing, it would be sufficient housing for people in need. Personal goals are to work harder for her future, to explore what her career should be, and work more on herself as a person.

Eric is 16 years old and has two younger sisters. He enjoys photography, videography, video games, and graphic designing. Eric said, "The best things about The Learning Center are the kind and helpful teachers, the small environment, the opportunities and classes that I am given." The best thing that ever happened was getting his Student of the Month Award at our club. If he could change one thing, he would be more careful with future choices. If he could build one thing, it would be more affordable homes for people that don't have a lot of money. Personal goals are to become more responsible, graduate high school, and go to college.

QUOTE OF THE WEEK

"We are always more anxious to be distinguished for a talent which we do not possess, than to be praised for the fifteen which we do possess."

See You Tuesday, Jerry
