MARCH 6, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 23

THIS TUESDAY

President Steve and company will recap the Pancake Breakfast.

LAST TUESDAY

Joel Christopher Payne was the Grand Marshal of the recent Camellia Festival. He spoke to us about his journey as a 1989 graduate of Temple City High School to being one of a handful of licensed Disney Artist.

Joel also attended La Rosa, Cloverly, Oak Avenue. Disneyland and Disney feature animation ignited a lifelong passion which led Joel to his current career. Joel didn't have any formal artistic training, and at the age 20 embarked on a 22 year career that would be forged through the fires of on-the-job experience. In 1993, Joel's big break would come from New World Computing, a game company known for the popular "Might and Magic" Series. His very first game project "Heroes of Might and Magic" became critically acclaimed and is currently on its 7th sequel. It was nice that Students of the Month from Longden stayed after receiving their awards to hear Joel's story

We had another successful Pancake Breakfast having served 231 adults and 67 kids. We had a little more attendees this year. Congratulations to super sales woman Helen Marston for single-handedly sold 71 tickets, that was about 1/3 of the total served. Way to go Helen!!

Rob Rodenbucher and Mike Lepore report that Dan and June Snell have been moved to a care facility in Corona. Meals will no longer be needed. Thanks for all that provided the gift of mercy with meals for several months.

Our Kiwanis Club has been asked to help at the Mayor's Prayer Breakfast on Friday, March 9. The breakfast is being catered at Temple City First Baptist Church on Baldwin. We will be wearing our club shirts as we help anywhere needed.

Your favorite bulletin editor chose the winning card and an undisclosed amount of \$\$\$\$. Our speaker, Joel Payne offered two of his signed prints to the winner. Being a good Kiwanis member, I kept the cash and donated the prints to super-volunteers Dawn Tarin and Helen Marston.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School. Accompanying the students was their teacher, Ms. Diana Lam.

Alexander is 11 years old and has an older brother. He enjoys being a comedian. Alexander said, "The best things about Longden Elementary are being able to play dodge ball at P.E., playing and talking with my friends." The best thing that ever happened was going to Universal Studios with his family. If he could change one thing, it would be to have more sports games at P.E.. If he could build one thing, it would be a homework machine. Personal goals are to get better grades, learn new things, and make new friends.

Cindy is 11 years old and has an older sister. She enjoys ice skating and swimming. Cindy said, "The best things about Longden Elementary are the big playground, great teachers, and fun field trips." The best thing that ever happened was going to the theater with her family to watch Paddington 2. If she could change one thing, it would be to make Temple City Library bigger. If she could build one thing, it would be a place where the homeless can live and grow their own crops. Personal goals are to get straight A's, jump rope at least 50 times per day, and make more friends.

Eva is 11 years old and has an older brother and sister. She enjoys playing sports. Eva said, "The best things about Longden Elementary are the great staff, nice teachers, and kind friends." The best thing that ever happened was getting an award at a ceremony. If she could change one thing, it would be to change a house into a mansion. If she could build one thing, it would be a mansion to live in. Personal goals are to become rich, graduate college, and become a veterinarian.

QUOTE OF THE WEEK

"To accomplish great things, we must not only act, but also dream; not only plan, but also believe."

See You Tuesday, Jerry
