APRIL 17, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 29

THIS TUESDAY

Chris Glaeser, Kiwanis Club of South Pasadena, will present "Mistakes to avoid in making your senior years easier".

LAST TUESDAY

Legion of Honor Roger Lockie was our featured speaker for the day. He lives in Glendora with his wife Barbara. Roger began his career in the TCUSD in 1955 with music and coaching football for 32 years with the likes of Bob Hitchcock. Roger is a product of Santa Anita School which later became Longden Elementary.

Roger is truly a wealth of information including the first Camellia Festival Queen was a baby, Ben Godfrey and Roger formed the Booster Club and also established Zero Period for dedicated students learning before the regular school day. The forerunner to the Brighter Side Singers was the Temple Belle's. Their first trip was in 1971 to Europe.

Congratulations to Carole Rodenbucher for being chosen Temple City's Outstanding Older American. Now she is up for Sainthood for living with Bob. Also, guests for the day were Barbara Lockie and Don Curry. Prospective member Patricia Dmytrow was with us. Our treasurer Matt Smith knows how to celebrate a birthday, taking his family to Hawaii for ten days, going to Jimmy Kimmel Live, and topping it off with a lobster dinner at one of Pasadena's most expensive restaurant. Do I see an audit coming?

Dawn Tarin is happy that her daughter Beth's cast is coming off and she can get her life back. Always a mom. Fern Vizcarra's brother is hoping his 7th leg surgery is successful.

STUDENTS OF THE MONTH

We welcomed six outstanding students from Emperor Elementary School. The happy students were accompanied by Emperor teacher, Mrs. Shelley Scanlan.

Acelin is 12 years old and in Mr. Giangregorio's class. He has a younger sister and enjoys playing basketball and soccer. Acelin said, "The best things about Emperor Elementary are nice teachers, all my great friends, and the good food." The best thing that ever happened was getting lots of friends at the beginning of school. If he could change one thing, it would be all the violence in the world. Personal goals are to build a safer car that would not crash, get better grades, make more friends, and become more responsible.

Kevin is 12 years old and in Ms. Trieu's class. He has a younger brother and enjoys soccer, chess, basketball, and reading. Kevin said, "The best things about Emperor Elementary are all the student opportunities, my peers and teacher always encourage me, and everyone at Emperor has good character." The best thing that ever happened was seeing his brother for the first time. If he could change one thing, it would be to erase all evilness. Personal goals are to build an electricity tower, make people act nicer, get rich and donate money, and become a good person and role model.

Royden is 12 years old and in Mrs. Scanlan's class. He has four brother and sisters, and enjoys fingerboarding, gaming, soccer, and drawing. Royden said, "The best things about Emperor Elementary are teachers, recess, and P.E." The best thing that ever happened was getting 2 phones, a computer, his own room, and his twin sisters. If he could change one thing, it would be not having people live in the streets. Personal goals are to build a shelter for homeless people, get straight A's, get into a top university, and become a genius.

Naomi is 11 years old and in Mrs. Trieu's class. She has a brother and sister and enjoys playing soccer. Naomi said, "The best things about Emperor Elementary are the nice teachers, my favorite subject, history, and hanging out with my friends at recess." The best thing that ever happened was getting picked for the Catalina trip with her friends. If she could change one thing, it would be to have more women's rights. Personal goals are to have a slime shop, get A's, be more confident, and being more open to making friends.

Lauren is 11 years old and in Mrs. Scanlan's class. She has an older brother and enjoys dance, basketball, and hanging out with her family. Lauren said, "The best things about Emperor Elementary are that we are kind to each other, all the caring teachers, and everyone strives for greatness." The best thing that ever happened was getting her guinea pig for Christmas. If she could change one thing, it would be to end human hunger for kids and the homeless. Personal goals are to get straight A's, advance to the JV dance team, and become a professional dancer.

Maesy is 12 years old and in Mr. Giangregorio's class. She has an older brother and enjoys writing, swimming, drawing, and studying nature. Maesy said, "The best things about Emperor Elementary are the great teachers, the fun learning, and the school activities." The best thing that ever happened was getting her dogs. If she could change one thing, it would be to end animal abuse. Personal goals are to build a time machine, become a better writer, do better in school, and end abuse towards animals.
