APRIL 24, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 30

THIS TUESDAY

Dana Bonner with California Mission Inn will talk about "Independent, Assisted and Memory Care". We will also welcome Students of the Month from The Learning Center and Longden Elementary School. We will also welcome into membership Patricia Dymtrow.

LAST TUESDAY

Chris Glaeser was our featured speaker for the day. He is a member of South Pasadena Kiwanis and volunteers at the Aquarium of the Pacific and the California Science Center.

Chris has enjoyed working with high net worth individuals and seniors providing a variety of financial organizational services. Such services have included income and expense management, bill paying, account and record management and preparation during pre-tax season.

Chris is a Personal Financial Officer with the Eddy & Schein Group based in New York. Chris provides customized day-to-day financial assistance to clients who have difficulty in managing their personal monetary affairs. Benefits of a Personal Financial Officer are working with a widow, widower or divorcee who is not accustomed to managing personal finances, a busy professional or traveler, a senior who wants to keep their independence without complicated paperwork or time spent on the phone.

MEALS OF LOVE

A big thank you to Cloverly Elementary School for providing community service and providing meals March and April for Ronald McDonald House.

Matt Smith is announcing our club resuming again Wednesday, May 2. The theme is turkey with the main dish provided by Steve Montesanti and Cindy Vance, Salad by Dawn Tarin and Bob Rodenbucher, Bread by John Gera, Dessert by Ron Dorazio and Kathy Perini, Drinks and Driving by Matt Smith.

Thanks again to these selfless members who give of themselves each month to provide food and comfort to families while their loved one is receiving treatment at Huntington Memorial Hospital. They do it each month without fanfare and paying for it themselves. Thanks also just in case some of the spouses are helping some of our culinary challenged members.
