MAY 9, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 32

THIS TUESDAY

We have no program on tap, so just hang out with your friends and have lunch at Denny's.

LAST TUESDAY

Our program for the day was Riley Saxon. Riley is a product of the Temple City Unified School District, and was recently appointed football coach. Riley began his talk by wowing us with an all-time first. He displayed his Student of the Month certificate he received from us on October 10, 2001.

Our own Cary Smith (former TCHS player) was the first person that Riley asked to be his assistant coach. Riley was an outstanding quarterback when he played. His goal is to impart to his players what he has learned on and off the field of competition.

His desire is to develop players into community leaders and imparting a sense of pride that the football program once had. He follows a rich football tradition with Bob Hitchcock and his 46 game winning record. His plan is to have a winning season, but more importantly, to instill life skills, teamwork, how to win, how to deal with adversity, and to create men that function well in society, and men that are proud to represent the City of Temple City.

Riley comes from a family fully invested in Temple City schools. His parents, Mary and Jim have been recognized for their community service to the PTA. Riley has come full circle beginning as Mary's son Riley, to Riley's mom Mary.

STUDENTS OF THE MONTH

We welcomed four outstanding students from Oak Avenue Intermediate School and a student from the High School. Accompanying the students were Oak teachers Ms. Jessica Goold and Ms. Amanda Kasuyama. From the High School we had counselors Ms. Ariana Renteria and Mr. Jose Marquez.

Octavio is 14 years old and has two sisters. He is in Ms. Kasuyama's class and enjoys playing basketball, reading, camping, drawing, Boy Scouts, and hanging out with his friends. Octavio said, "The best things about Oak Avenue are the elective classes, P.E., and my friends and teachers." The best thing that ever happened was making good friends at Oak Avenue. If he could change one thing, it would be to change the common core online testing in English. If he could build one thing, it would be a train that could travel through the atmosphere. Personal goals are to learn as much as he can, travel around the world, and become a better person that motivates others.

Reina is 14 years old and has a brother and sister. She is in Ms. Goold's class and enjoys reading, playing the violin and piano, karate, rock climbing, snowboarding, playing football, and learning Arabic. Reina said, "The best things about Oak Avenue are creating a welcoming atmosphere through the WEB program, the wide variety of clubs, and the helpful staff." The best thing that ever happened was making good friends in the 3rd grade. If she could change one thing, it would be to end world hunger and suffering. Personal goals are to get a scholarship, become a black belt in Karate, and to learn two languages apart from English.

Nathan is 13 years old and has an older sister. He is in Ms. Goold's class and enjoys playing the guitar, piano, drawing, painting, and soccer. Nathan said, "The best things about Oak Avenue are the great students and staff, the amazing art program, and the many opportunities to join clubs." The best thing that ever happened was transferring to the TCUSD in the 5th grade. If he could change one thing, it would be to bring back more land in the rainforest. If he could build one thing, it would be a robot to identify trash in the ocean and dispose of it. Personal goals are to become a professional soccer player, learn to play the cello, and make a difference in the world.

Anna is 14 years old and has an older sister. She is in Ms. Kasuyama's class and enjoys writing, playing the cello and piano, dancing, and tennis. Anna said, "The best things about Oak Avenue are the community of teachers and students, music department, and Associated Student Body." If she could change one thing, it would be the lack of compassion the world has for each other. Personal goals are to do well at Troy Tech, write a book, and get into Princeton.

Chloe is 17 years old and enjoys playing the guitar, Rubik's Cube, Chinese calligraphy, math, and basketball. Chloe said, "The best things about TCHS are the friendly students and teachers, varied classes, extracurricular activities, and no discrimination." The best thing that ever happened was finishing middle school in China with a great result, and being able to come to the United States to study. If she could change one thing, it would be to stop people from harming the environment. Chloe would like to begin fundraising to help with protection of nature, helping older people, the poor, and children. Personal goals are to enroll in UC Berkeley next year, to eat everything she wants, and to earn a lot of money so her grandparents can enjoy the rest of their life.

KIWANIS KALANDAR

May 6 - Sportsmen Club Annual Fish Fry @ Arcadia Community Center

May 6 - Temple City Schools Foundation Fundraiser @ Tired Iron Works

May 8 - Public Schools Recognition at Emperor Elementary School - 6 p.m.

May 16 - Do we have a program?

May 20 - TC Parks & Recreation Color 5K Run at Live Oak Park

QUOTE OF THE WEEK

"I don't make jokes. I just watch the government and report the facts."

Will Rogers (1879 - 1935)

See you Tuesday, Jerry
