MAY 15, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 33

## THIS TUESDAY

Marva X (she does not want to use her ex-husbands last name) from Honor Flight will be with us. We will be presenting a check to them as a tribute to Dan Snell. A few years ago Dan and his son took the Honor Flight to Washington, DC to tour the war memorials. Vote for ?

## LAST TUESDAY

Michelle Freridge is a member of the Rosemead Kiwanis Club and the Executive Director of the Asian Youth Center (AYC) since 2012, she is responsible for the leadership of a 28 year-old community-based, non-profit organization that provides educational, employment and social services for more than 2,000 youth annually in Los Angeles County. AYC helps low-income youth of all ethnicities succeed in school, at work, and in life!

AYC provide low-income and immigrant youth in the West SGV, ages 5-14 with much needed after-school and summer programming with an academic focus on supplemental instruction in English Language Arts and Math, as well as programming in Science, STEM, Health and Arts. Participating youth also receive homework assistance in all other academic subjects

Mike "I'm workin' on it) Lepore thinks he has a great slate of officers that we will be voting for on May 15. Mike has come up with an exciting slate of officers. Unfortunately, no one knows who they are.

Congratulations to Matt and Janet Smith announcing they will be Grandparents in October. Steve and Lisa have purchased a Hoby Catamaran. Steve is waiting to retire so he can sail the high seas and fulfill his dream of being a pirate. You should be able to buy a cheap boat around September.

Matt Smith is announcing Ronald McDonald Meals of Love for June 6. The theme is beef with the Main Dish by Dave Seltman and Matt Smith, Salad by Steve Montesanti and Cindy Vance, Bread by Ron Dorazio, Drinks by John Gera, and Dessert by Dawn Tarin and Rob Rodenbucher. Driving Miss Daisy will be Bob Rodenbucher. Thanks again to these Angels of Mercy who provide food for families going through serious family health problems.

## STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. The happy students were accompanied by Emperor Principal Dr. Linda Chang and eighteen-year teacher, Mr. Greg Giangregorio.

Rainer is 12 years old and in Mrs. Scanlan's class. He has an older brother and enjoys drawing, writing, reading, and playing the piano. Rainer said, "The best things about Emperor Elementary are the teachers that make it a wonderful and cheery place, they value the character of the students, and the activities/events that are planned for us". The best thing that ever happened was going on the Catalina Trip. If he could change one thing, it would be stopping global warming. Personal goals are to build a homeless shelter, receive an academic award, pass an eight-minute mile, and to get better at drawing.

Nicole is 11 years old and in Mr. Giangregorio's class. She has two brothers and enjoys reading, swimming, playing the piano and violin. Nicole said, "The best things about Emperor Elementary are my best friends, the awesome teachers and staff, all the field trips and events". The best thing that ever happened was meeting her cousin which she has become real close. If she could change one thing, it would be everyone living in peace. Personal goals are to build a pet shelter, to get straight A's the rest of her life, to make friends from other countries, and to become a doctor.

Addison is 12 years old and in Ms. Trieu's class. She has three older brothers and sisters and enjoys playing soccer, music, dancing, and making slime. Addison said, "The best things about Emperor Elementary are my friends, field trips, and my teachers". The best thing that ever happened was scoring the winning goal at a championship soccer game in Arizona. If she could change one thing, it would be to end world hunger. Personal goals are to build a slime factory, get straight A's, become a top soccer player, and be a good person.
