MAY 16, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 33

THIS TUESDAY

We have no program on tap, so just hang out with your friends and have lunch at Northwoods. We welcome DDSLC Students.

LAST TUESDAY

It was reported that long-time member Dr. John Chandler has passed away. Our heartfelt sympathies go out to Sue Chandler and family at this difficult time of mourning their loss. He was a 49 year member of Temple City Kiwanis. He was an outstanding dentist at the corner of Kauffman and Las Tunas for many years. He was honored as Kiwanian of the Year in 1981 and received his Legion of Honor for 45 years from Kiwanis International. John was a soft-spoken, kind and gentle man. He was not big in stature, but a giant when it came to selfless service. Thank you Sue for your wonderful care for many years.

Maryvale Orphanage in Rosemead was a big part of his life. He would come to the Orphanage often to provide free dental service to the girls living there. They actually built a fully outfitted dental office for him to offer his services. Many years ago they had a special day to honor him. Many of our members were there as a special plaque was installed on his dental office door. The photos to the right were of John on that special day in 2010. Many thanks to Mike Lepore for visiting John regularly. A memorial service is being planned by the family.

President Steve won a \$100 gift certificate for Northwoods at the Sportsmen Club Fish Fry. Dawn Tarin is happy the her son, Michael is graduating from Cal State LA on May 20th. Matt Smith, Jim Robust, Steve Montesanti, and Bob Rodenbucher cooked hot dogs for Public School Recognition night at Emperor School last Monday. Sue Matchett is celebrating 10 years of membership on May 15th. Thank you to City Manager Bryan Cook for providing the Community Room for us to meet. Jim and Cheryl Robuck will be singing with the Sierra Madre Chorale on May 19 and May 21. Please see Jim for further details.

STUDENTS OF THE MONTH

We welcomed four outstanding students from Emperor Elementart. Accompanying the happy students was Emperor teacher Ms. Lacey Henderson.

Ella is 12 years old and in Mrs. Trieu's class. She enjoys baking and playing softball. Ella said, "The best things about Emperor are the clean school, good teachers, and I like that the school is safe." The best thing that ever happened was going on a cruise to Alaska with her family and cousins. If she could change one thing, it would be that everyone would cut back on their use of water. If she could build one thing, it would be a time machine so that she could see dinosaurs in the early ages. Personal goals are to own a bakery, get a micro pig, and save money for college.

Brianna is 11 years old and in Mr. Giangregorio's class. She has an older brother and enjoys crafting, drawing, handball, and swimming. Brianna said, "The best things about Emperor are the kind friends I have, teaching so we can reach academic excellence, and the kind and caring teachers." The best thing that ever happened was meeting all my new friends at school. If she could change one thing, it would be to have less homework. If she could build one thing, it would be a robot to help with homework. Personal goals are to become a better swimmer, become a better person inside, and to become more ecofriendly.

Tiffany is 12 years old and in Ms. Henderson's class. She two older brothers and enjoys playing the violin, tennis, art, swimming, reading, and socializing with animals. Tiffany said, "The best things about Emperor are the friendly staff and teachers, and hanging out with my friends." The best thing that ever happened was shooting a bullseye in archery at Catalina Island with her Girl Scout Troop, because it taught her to focus and achieve her goal. If she could change one thing, it would be to stop world hunger because they need food to survive. If she could build one thing, it would be an animal shelter. Personal goals are to become a dentist or veterinarian, get into a good college, and travel around the world.

Ava is 11 years old and in Mrs. Scanlan's class. She has an older sister and enjoys playing softball, singing, acting, dancing, racquetball, soccer, learning, and doing hair. Ava said, "The best things about Emperor are my teachers, tap club, and the PTA." The best thing that ever happened was getting into the Temple City musical, the "Music Man". If she could change one thing, it would be to eliminate racism. Personal goals are to build a dog shelter, get straight A's, become a scriptwriter, and become a millionaire.
