**MAY 22, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 34**

## THIS TUESDAY

Ronald McDonald will update us about their work and possibly thank our members who selflessly provide meals each month.

## LAST TUESDAY

Marva X visited us again from the Inland Empire to relive her experience growing up in a military family. In 2010, Marva became a volunteer with Honor Flight-Inland Empire. It was formed in an effort to assist Veterans of "The Greatest Generation" in visiting the memorial that was dedicated to their heroism during World War II. Honor Flight offers these hero men and women an opportunity to visit Washington D.C. free of charge.

Our own member Dan Snell made the trip with his son Daniel in 2015. In Dan's memory we have made a \$500 donation to the Honor Flight program. Dan and June's daughter, Mary Jo was on hand as we presented the check to Marva. (The second photo was from April 21, 2015 as Marva spoke about Dan's impending trip.

Mike "I'm workin' on it) Lepore thinks he has a great slate of officers that we will be voting for on May 29. Mike has come up with an exciting slate of officers. Unfortunately, no one knows who they are. If we do not come up with a President then we might possibly rotate Board of Directors as President one month at a time. Someone please step up!!

Fern Vizcarra has reported that his granddaughter fell off a swing and broke her shoulder. John Gera is recovering from knee surgery. Lucky Cindy Vance was the big winner with \$153.00.

Matt Smith is announcing Ronald McDonald Meals of Love for June 6. The theme is beef with the Main Dish by Dave Seltman and Matt Smith, Salad by Steve Montesanti and Cindy Vance, Bread by Ron Dorazio, Drinks by John Gera, and Dessert by Dawn Tarin and Rob Rodenbucher. Driving Miss Daisy will be Bob Rodenbucher. Thanks again to these Angels of Mercy who provide food for families going through serious family health problems.

## STUDENTS OF THE MONTH

We welcomed two outstanding students from the Dr. Doug Sears Learning Center. The happy students were accompanied by thirteen-year teacher Mr. Raul Acevedo.

**Issac** is 16 years old and in Mrs. Lopez class. He has four brothers and sisters and enjoys skating at the skatepark and playing old school video games. Issac said, "The best things about The Learning Center are the nice teachers, the schedule timing is just right, and all my friends go here". The best thing that ever happened was being sponsored for the shopproscooterlabflow team. If he could change one thing, it would be getting rid of negative conflict relating to war. If he could build one thing, it would be a massive shelter for the homeless. Personal goals are to become a professional scooter rider and travel the world, graduate high school, and go to school for art to become a tattoo artist.

**Juan** is 18 years old and in Mrs. Lopez class. He has four brothers and sisters and enjoys sports and dragon ball. Juan said, "The best things about The Learning Center are the teachers and staff, activities, and the students". The best thing that ever happened was getting a job at McDonalds. If he could change one thing, he would like to be taller. If he could build one thing, it would be a giant dog park. Personal goals are to become a better person, make the world a little better, and make everyone he knows proud of him.
