**MAY 23, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 34**

## THIS TUESDAY

We have no program on tap, so just hang out with your friends and have lunch at Northwoods.

## LAST TUESDAY

We had our inaugural meeting at Northwood's. It came with a few challenges, including photography. We were visited by Honorary Members Carole Rodenbucher and Lisa Montesanti.

Rob Cruse was our speaker for the day. Rob grew up in the Covina./Azusa area. He graduated from Gladstone High School and has worked for Temple City for almost 36 years. He lives in Temple City with his wife Starene, they have 7 children between the two of them. He has been a Certified Arborist for 25 years. He loves living and working in Temple City.

Rob is truly one of the nicest guys you would ever want to meet. He would do anything for you if you were in need. Some things we learned were that trees are like people, they get stressed out.

The main thing is that trees need to be watered at least twice a month for 20 minutes. His crew removes about 5 - 10 diseased or dead trees a month. Resident's don't realize that it is their responsibility to water city trees in the parkway of their house. Each year they plant about 60 trees and remove about 80. The City now has a Tree Master Plan that keeps track of the \$19,000,000 inventory of city trees.

Matt Smith is heading up Ronald McDonald Meals of Love for Wednesday, June 7. The theme is beef with the Main Dish by Sue Matchett and Steve Montesanti, Salad by Bob Rodenbucher and John Gera, Bread by Dave Seltman, Drinks by Dan Snell, and Dessert by Ron Dorazio and Matt Smith. The driver is Bob Rodenbucher.

**A personal note from Sue Chandler:** Thank you for including the information about John's passing in the latest Temple City Kiwanis Club bulletin. John had a high regard for the Kiwanis Club. He enjoyed the fellowship of members and the opportunities for community service to the city.

A funeral mass for John will be held at 10:00 AM on Saturday, May 27 at Holy Angels Church in Arcadia. The church is located at 370 Campus Drive at the corner of Holly Avenue, where Huntington Drive splits near the entrance to the Santa Anita Race Track. A celebration of John's life will follow the service in the church hall. Warmest regards, Sue and Family.

## STUDENTS OF THE MONTH

We welcomed two outstanding students from the Dr. Doug Sears Learning Center. Accompanying the happy students was DDSLC Principal, Mr. Chris Sewell.

**Dante** is 17 years old and has a brother and sister. He enjoys lifting weights, and playing strategy games. Dante said, "The best things about The Learning Center are the friendly staff, scheduling, and the acceptance we receive." The best thing that ever happened moving to Temple City. Personal goals are to be successful as a body builder, go to college and major in physical therapy.

**Dylan** is 17 years old and has an older sister. He enjoys camping and hiking. Dylan said, "The best things about The Learning Center are the teachers, the size of the school, and the field trips." The best thing that ever happened was everything, because good or bad, it got him to where he is today. If he could change one thing, it would be to take advantage of the opportunities that were offered to him in the past. If he could build one thing, it would be a house in a peaceful country town. Personal goals are to join the Marines, see the world, and settling down in the future.
