JUNE 12, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 37

THIS TUESDAY

Afi Bell will speak about Epilepsy.

LAST TUESDAY

Our featured speaker was Lucy Liou. Lucy has lived in Temple City since 1999, and is a volunteer with the American Red Cross as the Ambassador for Temple City.

Lucy also volunteers with Neighborhood Watch, Los Angeles Sheriff's working the front desk, Advanced CERT Trainer, Relay For Life, Measure S Oversight Committee. Lucy is involved with many more "volunteer" opportunities including her bilingual skills.

You might have seen their offices near Arcadia Methodist Hospital. If there is an emergency they might be called into action by the fire department. Lucy's region covers Glendale to Pomona with 97% of the personnel being volunteers. They have actually laid off paid workers because of finances.

The Mission and Vision Statement is simple: The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors.

The American Red Cross, through its strong network of volunteers, donors and partners, is always there in times of need. We aspire to turn compassion into action so that all people affected by disaster across the country and around the world receive care, shelter and hope...our communities are ready and prepared for disasters, everyone in our country has access to safe, lifesaving blood and blood products.

No offense Lucy, but if there was a major disaster I would want to be near these people in this order: 1) Jesus 2) Bryan Arrizumi 3) Lucy Liou.

Guests for the day were Honorary Member Lisa Montesanti and Incoming Lt. Governor Bill Tema. He encouraged someone to be Lt. Governor elect. Bill has been in Kiwanis since 1973 and has served as club secretary for 30+ years. Are you paying attention Ron? President Steve announced that we will begin night meetings beginning with July 10. More information will be forthcoming. We will not be meeting July 3.

STUDENTS OF THE MONTH

We welcomed two outstanding students from Temple City High School. Accompanying the students was TCHS Vice-Principal Mr. Chris Holmes.

Nichole is 17 years old and in Mr. Slattery's class. She has an older sister and enjoys arts and all kinds of animals. Nichole said, "The best things about Temple City High School are great staff support, friendly students, and the varied opportunities". The best thing that ever happened was always having education available and having a stable home. If she could change one thing, it would have been more participation during her freshman and sophomore years. If she could build one thing, it would be an orphanage for children. Personal goals are to receive a college degree, a stable job, and meaningful work.

Leslie is 15 years old and in Mr. Ferntheil's class. She has an older brother and enjoys writing stories, playing music, and swimming. Leslie said, "The best things about Temple City High School are all the extracurricular classes I can take, the very helpful teachers, and the sense of security and peaceful environment". The best thing that ever happened was winning 2nd place in a violin competition she was not prepared for. If she could change one thing, it would be to believe in herself more because there is room for improvement. If she could build one thing, it would be a machine to reduce pollution or a free healthcare system. Personal goals are to receive a 4.0 GPA, overcome her personal standards, and go to Stanford University.

QUOTE OF THE WEEK

"One of the best rules in conversation is, never to say a thing which any of the company can reasonably wish had been left unsaid."
