**JUNE 19, 2018 TUESDAY 12:00 P.M. VOL. 79 NO. 38**

## THIS TUESDAY

Armando Yee will speak about the Broadcast Media Industry. Come out for lunch and join us. By my count we have about 26 members who should be able to attend a meeting. We had 9 members in attendance last Tuesday. There could be a situation where we might not get a speaker to come out for such a small audience.

## LAST TUESDAY

Our featured speaker was Afi Bell. She is an author and spokeswoman dealing with Epilepsy. Currently Afi is affiliated with the Epilepsy Foundation. She understands that an informed community is a strong community. She has over eighteen years of personal epilepsy experiences.

Epilepsy is a group of neurological disorders characterized by epileptic seizures. Epileptic seizures are episodes that can vary from brief and nearly undetectable periods to long periods of vigorous shaking. These episodes can result in physical injuries, including occasionally broken bones. In epilepsy, seizures tend to recur and, as a rule, have no immediate underlying cause. Isolated seizures that are provoked by a specific cause such as poisoning are not deemed to represent epilepsy.

The cause of most cases of epilepsy is unknown. Some cases occur as the result of brain injury, stroke, brain tumors, infections of the brain, and birth defects through a process known as epileptogenesis.

Afi is the author of "Living Free With Epilepsy", she updates society on famous people who have had epilepsy and didn't let it hold them down. We learned that there are over 40 types of epilepsy. It ranges from blacking out for a few minutes to a Grand Mal Seizure. If a seizure lasts less than 5 minutes there is no need to call 911.

Afi, because of her 19 year bout with epilepsy she cannot drive. She could be sitting at a bus bench and find herself at Target not knowing how she got there. She had 4 seizures just last month. She wears medical bracelets with her medical information.

Matt Smith is announcing the July Ronald McDonald Meals of Love for Wednesday, July 11, not the 4th. The theme is casserole with the Main Dish by John Gera and Kathy Perini, Salad by Dave Seltman and Matt Smith, Bread by Dawn Tarin, Drinks by Rob Rodenbucher, Dessert by Steve Montesanti and Cindy Vance. Driver is Bob Rodenbucher.

Other news: Dan & June Snell's home has been sold. Patti Dymtrow has traveled to the Carolina's. Matt and Janet celebrated with friends in the Florida Keys eating, boating, and riding motorcycles. Dawn Tarin, Donna Georgino, and Nan Fish are part of the contingent representing Sister Cities. Jim Robuck is recovering from a "Valve Job" on his heart again.

During the summer months we will experiment with having a night meeting once a month with the first one on Tuesday, July 17 and the next August 21. The meetings are open to anyone including spouses and friends. North Woods Inn and 6. p.m..
