**AUGUST 1, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 44**

### THIS TUESDAY

What happens to your trash after it is picked up? We will meet at the south parking lot of Northwoods at 10:30. We will board a bus and tour the Athens Services Recycling Facility in Sun Valley. A box lunch will be provided and we are scheduled to return before 2 p.m.

### LAST TUESDAY

Our speaker for the day was our own Steve Tyre who took visited Isreal, including the West Bank and the Gaza Strip. Steve provided photos of this spectacular trip with his wife Monica to the birthplace of Christ.

The Four Quarters of the Old City of Jerusalem are The Jewish Quarter, Muslim Quarter, Armenian Quarter (my favorite), and the Christian Quarter. The Jewish Quarter is located just west of the Western Wall. The Jewish Quarter is a thriving modern community with more than 1,000 families. It has been rebuilt out of the rubble that was left from Jordanian occupation of the area from 1948 until the Six Day War of 1967. Since the destruction was severe, the Jews who returned to the Old City in 1967 excavated the quarter's archaeological remains first and then built their city over, around and beside the ancient discoveries. Today there are numerous synagogues and schools for Jewish studies, along with contemporary shops and restaurants up and down the streets.

Little known facts about Israel: There are over 100 sushi restaurants in Tel Aviv...making it the city with the most sushi restaurants per capita after Tokyo and NYC. It has the highest rate of entrepreneurship among women and people over 55 in the world. Israel was the first country to ban underweight models. Israeli banknotes have braille markings on them. 9. Israelis consume the third most amount of vegetables and sweets in the world. When Golda Meir became prime minister of Israel in 1969, she was only the third woman elected to lead a country in the modern world. There's a rollerblading party that happens every Tuesday night in Tel Aviv. In regards to its population, Israel has the highest ratio of college degrees, ratio of its museums and startup companies. Motorola developed the cell phone in Israel. Voicemail technology was developed in Israel. Israel published more books translated from other languages than any other nation in the world.

Matt Smith is announcing the August Ronald McDonald Meals of Love for August 2. The theme is chicken with the Main Meal by Ron Dorazio and Matt Smith, Salad by Dave Seltman and Dan Snell, Bread by Bob Rodenbucher, Drinks by John Gera, Dessert by Steve Montesanti. Driver Ron Dorazio.

Matt is also giving the most recent Concerts in the Park as follows: "No new record tonight but still a very good night: \$491. To date our gross sales are \$2,588 and expenses to date add up to about \$600 for what I have received so far - so that's roughly \$2,000 in profit so far this year! Thank you for your support of our club. Matt"

Tom McIntee reported that Marie had to be admitted to the hospital for a bout of pneumonia. Steve and Lisa Montesanti have returned from their 20th trip to Hawaii. Congrats to Helen Marston on being selected Chairman of the Planning Commission.

### MESSAGE FROM STEVE MONTESANTI

"I appreciate everyone's hard work and energy in making this years BBQ a success. Everyone did a great job considering the terrible weather. The event seemed to go smoothly thanks to your hard work and dedication to our Kiwanis club. Thank you! Sincerely, Steve "
