SEPTEMBER 19, 2017 TUESDAY 12:00 P.M. VOL. 78 NO. 51

THIS TUESDAY

Bill Ukropina is a motivational speaker for Kiwanis. He will present Practice, Patience, and Perseverance. We already practiced enough, we might need a heavy dose of the last two.

LAST TUESDAY

Steve Terry was our featured speaker for the day. Steve is a retired teacher from Schurr High School in Montebello after 36 years.

Steve has been President of the Temple City Sister Cities Association from 2010 to 2016. Sister Cities International is a global organization founded by President Eisenhower in 1956 as a way of fostering relationships with our foes.

Temple City Sister Cities began in 1964 with Magdelana, Mexico, with a relationship being formed with Hawkesbury, Australia in 1984. Each summer 6 Temple City students are chosen to live with host families in Australia for 4 weeks. In September 6 of their student come here. The city graciously picks up the tab for this life-changing goodwill trip for our students. In 1988 the entire Temple City High School Marching Band went to Australia. All 200 of them.

Hawkesbury is about the same population at Temple City. We occupy 4 square miles. They are the land size of all Los Angeles County. They raise a lot of cattle, but the have more sheep than people. The Association is planning an adult exchange trip to Hawkesbury, New South Wales, Australis in June 2018. Information meeting on October 26 at 7 p.m. in the Community Room.

Steve Montesanti would like you to sign-up for Ronald McDonald Meals Of Love and provide future programs. Thank you Cindy Vance for helping move all our supplies to the yard. Other scofflaws were fined for not showing up. A thank you note was read to the club from Maryvale Orphanage for our donation in honor of Dr. John Chandler.

Mark your calendar now for our annual installation of officers on Tuesday, September 26 at Pepper's Mexican Restaurant in Arcadia near the Race Track. This is one of the best Mexican Restaurants around. Attitude adjustment at 6 followed by dinner at 7. Come join the fun at \$20 a copy. Let Steve know.

On September 21 our own Dan Snell will be honored by the LA County Fair as Temple City's Hometown Hero. A grand celebration in Dan's honor will include a community reception on The Lawn at Sheraton Hotel and a festive community parade at 5 p.m.. Come out and watch Dan parade in a 1947 Chevrolet convertible. Please contact Dawn Tarin for more details and ticket information.

STUDENTS OF THE MONTH

We began the new school year by honoring 3 outstanding students from Emperor Elementary School. They were escorted by teacher Mrs. Shelley Scanlan.

Ethan is 10 years old and in Mrs. Trieu's class. He has a younger sister and enjoys playing with his iPad, reading, and playing basketball. Ethan said, "The best things about Emperor are talking and playing with my friends, reading books, and doing math problems." The best thing that ever happened is having his great family. If he could change one thing, it would be to change his parent's view of his iPad. If he could build one thing, it would be a potion that makes a person or animal immortal and young forever. Personal goals are to get straight A's, pass the Algebra test, and to work more efficient and independent.

Ruchi is 11 years old and in Mr. Giangregorio's class. She has a younger sister and enjoys swimming, math, science, and playing the flute. Ruchi said, "The best things about Emperor are my kind friends, teachers, and how I look forward to coming to school every day." The best thing that ever happened was being chosen for the Heritage Trip. If she could build one thing, it would be a device that could solve many of our global problems. Personal goals are to get into a good college, become a pediatrician to help people, and be a good person.

Ryland is 11 years old and in Mrs. Scanlan's class. He two younger brothers and enjoys playing baseball and football. Ryland said, "The best things about Emperor are P.E., seeing my friends, and having fun." The best thing that ever happened was getting his first home run. If he could change one thing, it would be to stop being so mean to his brothers. Personal goals are to get good grades, play more baseball, and do good in school.
