OCTOBER 9, 2018 TUESDAY 12:00 P.M. VOL. 80 NO. 2

THIS TUESDAY

Frank Quintanilla is a long-time member of the Rosemead Club and will update us on their happenings.

LAST TUESDAY

Cindy Vance debuted her presidency as if she had been doing it for 5 years. Fernando Vizcarra began the Kiwanis year in a big way by winning the drawing with over \$200. Do you read the bulletin Joan?

Our program from the day was Janet Smith speaking about the upcoming Relay For Life on October 27. Janet has been cancer free for over 5 years after going through treatment. Her world changed after hearing those words from her doctor, "You have cancer". After chemotherapy and surgery including reconstruction, she is the perfect spokesperson for this fight we are all in for more birthdays. She credits Matt for being her caregiver and inspiration during her fight.

The theme for this year's Relay is "No Place Like Home". The Relay will take place on Saturday, October 27 at Temple City Park. Teams will be participating for 12 hours from 9:30 a.m. and ending by 9:30 p.m. including the moving Luminaria program. Over 3.5 million dollars have been raised with over \$350,000 from the past 7 Temple City Relay's.

Our club will be providing breakfast beginning at 8 a.m. before the Relay officially begins. Janet would like you to buy one her specially made bras to draw attention to the fight against breast cancer. Janet is also inviting you to the Survivor Luncheon this Saturday at First Methodist Church just above the Library. This inspirational luncheon pays tribute to those fighting cancer, the survivors, and their caregivers.

Helen Marston is happy to be home after spending 3 weeks in Vietnam and China. She was participating on behalf of West San Gabriel Valley Board of Realtors signing a Memorandum of Understanding for International Real Estate. She also visited her parents for 2 days.

QUOTE OF THE WEEK

"I picked up a hitchhiker last night. He seemed surprised that I'd pick up a stranger and asked, "Thanks but why would you pick me up? How do you know I', not a serial killer?" I told him the chances of two serial killers being in one car would be astronomical."

See you Tuesday, Jerry
