OCTOBER 16, 2018 TUESDAY 12:00 P.M. VOL. 80 NO. 3

THIS TUESDAY

Long time restaurateur, musician, and teacher will tell us what it is like running a popular Italian Restaurant.

LAST TUESDAY

Guest for the day included Art and Elizabeth Landing from the Rosemead Club. Elizabeth was recently installed as President. It was good to see our Key Club leadership at our meeting, Samantha Chang-President, Tiffany Hai-Vice President, Joey Liou-Secretary, Richmond Guerrero-Treasurer, and Kathy Ye-Webmaster. Dawn Tarin reported that Scott Wardlaw has been transferred to Mission Care in Rosemead. Sign up next week for help at the Relay for Life Breakfast.

Our speaker for the day was Frank Quintanilla. He is a 26 year member of the Rosemead Kiwanis Club having served a President and Secretary. Frank's involvement with Kiwanis began in high school as a graduate of Rosemead High School as a past Key Club President. Frank is currently a Realtor with Coldwell Banker George Realty. He was the #1 agent in production last year. Before his real estate career, Frank and his brother John owned Golden Rose Florist in Rosemead for 24 years.

I would like to tell you of all the programs that Rosemead Kiwanis is involved in but it would take two pages. This is one active club including 3 Builder's Clubs, donating 3-D printers to their intermediate schools and laptops to graduating students every June.

Frank did not mention it but the Rosemead Club is famous for having a International President from their club. Frank DiNoto served from 1986-87. One thing I did learn was that they have a similar situation as ours. They had a member leave them a part of his estate. They invested that amount in the stock market and they have done very well. I would like us to investigate the possibility of getting more than \$13.41 interest a year on the Hershberger account.

I had a conversation with Honorary Member Dave Smith, manager of The Hat. He informed me that he sold his home and retired to Las Vegas. He will be introducing me to the new manager to keep the certificates for Students of the Month happening.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher, Mrs. Shelley Scanlan.

Nancy is 11 years old and in Mr. Giangregorio's class. She has two older sisters and enjoys swimming and art. Nancy said, "The best things about Emperor Elementary are my teachers and classmates, the education I receive, and the PTA". The best thing that ever happened was being chosen to be a Student of the Month and visiting Kiwanis. If she could change one thing, it would be to stop bullying and unfairness in the world. Personal goals are to build a animal shelter, win the Reflections Art Contest, get straight A's, and win an award by the end of the year.

Sylvia is 11 years old and in Ms. Trieu's class. She has a younger brother and enjoys art and drawing. Sylvia said, "The best things about Emperor Elementary is the education I receive, my friends, and recess". The best thing that ever happened was moving to California from New York. If she could change one thing, it would be to stop people from destroying animal habitats. Personal goals are to build a zoo and aquarium, get B+ or above, go to a good college, and stopping pollution.

Madison is 12 years old and in Mrs. Scanlan's class. She has an older sister and enjoys playing the guitar, flute, and piano. She also enjoys doodling and watching short animations. Madison said, "The best things about Emperor Elementary are meeting my best friends, learning with the teachers, and the PTA". The best thing that ever happened was moving to the TCUSD because she met so many people that have helped her become a better person. If she could change one thing, it would be to end bullying. Personal goals are to build a shelter for stray animals, becoming more independent and confident, and achieve intellectual growth.
