**OCTOBER 23, 2018 TUESDAY 12:00 P.M. VOL. 80 NO. 4**

## THIS TUESDAY

Melanie McShane is the President of the Longden PTA.

## LAST TUESDAY

Larry DiPeppe has owned and operated Alex DiPeppe's Italian Restaurant since 1985. The son of Italian immigrants, his mother and father started the business in 1969, and will be celebrating 50 years in 2019. Larry also does many volunteer projects for the community and has worked on and off as a band director for Monrovia Unified School District since 2002 and plays with several local bands, often for Temple City's American Cancer Society's Relay for Life, where he will perform on Saturday, Oct. 27 from 5PM- 7PM.

Larry is one amazing person. Not only a great restaurateur, but a great musician. He helps feed the homeless in downtown Los Angeles with his good friend from B-Man's Restaurant. They give out over 600 meals. He has three kids who are all college graduates. Two of his sons are Eagle Scouts. Larry lives by the motto his father gave him, "You got everything you need, and a lot you don't deserve". Secret: His first name is real Italian, Laurentino.

Temple City Parks and Recreation Manager is asking for your help: "We're still in need of applicants for the newly formed Temple City Committee on Aging (CoA). Completed applications are due no later than Wednesday, October 31, 2018 at 5:00 p.m. and may be submitted any of the following four ways: In person at Live Oak Park Community Center; Via e-mail to myself at [slawson@templecity.us](mailto:slawson@templecity.us); Online at <http://templecity.us/FormCenter/Parks-Recreation-4/COA-Application-69>; or Via mail - Committee on Aging, City of Temple City, Attention: Steve Lawson, 9701 Las Tunas Drive, Temple City, CA 91780. Please consider applying or help us spread the word to identify potential members for this important committee.

Key Club President Samantha Chang is announcing Socktober- Service Project Sunday, November 4 at Temple city Park from 12 P.M. to 3 P.M. The purpose is to assist homeless people through donations to homeless shelters, at this time they are looking at the Union Rescue Mission at Skid Row. They are inviting various organizations to donate Money and or items such as socks, toiletries, fruit snacks, granola bars, toothbrushes etc. These will be packaged up and delivered to the Rescue Mission.

Guests for the day included Janet Smith, Key Club President Samantha Chang and Ethan Hsu. Matt and Janet Smith are happy they are grandparents. Kyle and Amy welcomed their new son, Skyler. His middle name is Jack after Janet's father. Bob Rodenbucher announced Carole's Birthday. We wish the best for Larry Marston who is experiencing some health issues. Longden Elementary is the recipient of our \$200 gift this month. Your editor is proud of grandson Jerry Bronkar being named the only Merit Scholar Award winner for the Pasadena Unified School District.

## STUDENTS OF THE MONTH

We welcomed two outstanding students from the Dr. Doug Sears Learning Center. Accompanying the students was DDSLC teacher Mr. Andrew Jahan.

**Tyrone** is 17 years old and in Mr. Jahan and Mrs. Lopez class. He has an older brother and enjoys listening to music and playing video games. Tyrone said, "The best things about the Learning Center are school activities, the teachers are nice, and they cater to each student's needs". The best thing that ever happened was meeting his best friend. If he could change one thing, it would be to end discrimination in the world. Personal goals are to build a homeless shelter, get up when his alarm goes off, go to bed earlier, and spend more time putting himself first.

**Michael** is 17 years old and in Mr. Jahan's class. He has brother and sister and enjoys video games, computers, technology, and football. Michael said, "The best things about the Learning Center are the staff, the students, and the family environment". The best thing that ever happened is having a girlfriend who is always supportive and caring. If he could change one thing, it would be the hot weather. Personal goals are to build a computer capable of playing any game with his friends, graduate high school, get a college degree, and save money for a new computer.
