**OCTOBER 24, 2017 TUESDAY 12:00 P.M. VOL. 79 NO. 4**

## THIS TUESDAY

Our own Dr. Tony Euredjian is guaranteed to not put us to sleep with his program on sleep apnea.

## LAST TUESDAY

It was good to have President Steve Montesanti remind us of why we joined Kiwanis. He outlined all the major committees and their function. He encouraged us to create a service project and bring it before the board.

Kiwanis was founded in 1915 and headquartered in Indianapolis, Indiana. Kiwanis is a global organization with over 600,000 members, 15,000 clubs, and in more than 90 nations. The volunteer members are dedicated to changing the world one child and one community at a time. The principle core of the Kiwanis mission is the belief that the most effective way to enhance a community is to enhance its children. Young Children are Priority One.

Kiwanis is the place for you if you: Believe children are the future, Build enduring friendships, Participate in fun and fellowship, sharpen your leadership skills, develop business contacts, Gain insight into local and international issues. With all this, "We Build" better lives for children and all we come in contact with.

We welcomed Marie Leonard, Lisa Montesanti, and Frank Reudel with us. Because of technical difficulties the November 1 Ronald McDonald Meals of Love schedule will be available next week. At the Classic Car Show Mike Lepore won a trophy, we also grossed \$375 in ice cream and cotton candy sales. Those helping were Matt Smith, Jim Robuck, Steve Montesanti, and Bob Rodenbucher.

Dan Snell is recovering at home with family after suffering a fall in his back yard. His mind is sharp and he love to have visitors. It was originally indicated that we could provide meals on Mondays, but after speaking to his daughter, MaryJo, she said they would welcome meals any day of the week. Our club has purchased a Field of Valor American Flag in Dan's honor that will be presented to him on November 10 at the ceremony at Temple City Park. Dan will be honored at Senator Dr. Ed Hernandez Veterans Recognition in Baldwin Park on November 3. MaryJo will be accepting his award as Dan is not mobile yet.

## STUDENTS OF THE MONTH

We welcomed a student from the Dr. Doug Sears Learning Center. Flora was accompanied by DDSLC teacher Ms. Shannon Findey.

Flora is 14 years old and has a brother and sister. She enjoys reading and writing stories, sketching, listening to music, and singing. Flora said, "The best things about the Learning Center are the friendly, supportive, and encouraging staff, the small and clean school/class environment, and how you can study and learn independently." The best thing that ever happened was transferring to the Learning Center and meeting the great staff. If she could change one thing, it would be to rid the world of all harmful diseases, illnesses, and disabilities. If she could build one thing, it would be a machine to help cure cancer. Personal goals are to get all A's in all her classes, get into a good creative writing university, and to keep writing and working on her stories.

"Give a man a fish, and you'll feed him for a day. Teach a man to fish, and he'll buy a funny hat. Talk to a hungry man about fish, and you're a consultant."

**See you Tuesday, Jerry**
