NOVEMBER 6, 2018 TUESDAY 12:00 P.M. VOL. 80 NO. 6

THIS TUESDAY

Dawn Tarin will provide a surprise program for us to enjoy.

LAST TUESDAY

Our featured VIP program for this 4th quarter was Matt Byers. Matt is a graduate of Temple City High School and Cal State LA. He returned to his Alma Mater in 1986 to develop a district-wide vocal arts program that has been featured through various avenues of production all around the world.

He directs 9 different choirs, covering grades 4 through 12, and is the co-founder of the Temple City Summer Musical Workshop, the founder of the Temple City Junior Honor Choir and co-founding director for the Temple City Performing Arts Academy.

Matt has led performances throughout the world, including Disneyland Paris and Carnegie Hall in New York City, and will be leading his 28th different concert tour, this year to Australia/New Zealand. His work as west coast liaison for the "America Sings" Benefit Concerts for Homeless Children has been recognized by local and national leaders and he has been nominated for Los Angeles County's "BRAVO" Award four times.

Matt was also honored in 2016/17 as "Teacher of the Year" for Los Angeles County. He has directed 16 of the 32 musicals that he has produced at the San Gabriel Mission Playhouse. Matt Byers resides in Pasadena, along with his wife Sheri of 37 years. He enjoys spending time with his 6 children and 5 grandchildren. Matt is a big fan of chicken and we are sure he will enjoy his gift cards we gave him for El Pollo Loco and Zankou Chicken.

Guests for the day included Sheri Byers, Carole Rodenbucher, Lisa Montesanti. A big thank you to all those who helped cook and serve Relay For Life participants. Thanks especially to Steve Montesanti for coordinating.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School and two students from Cloverly Elementary School. Accompanying the Longden Students was their teacher Mr. Randy Green, Principal Stephen Martin Edo and Mrs, Heather Kincart brought their Cloverly students.

Doria is 10 years old and has an older brother and sister. She enjoys gymnastics, reading, robotics, crafts, and going on her phone. Doria said, "The best things about Longden Elementary School are all the amazing teachers, there is not detention, and there is a very good learning environment". The best thing that ever happened was being born. If she could change one thing, it would be to change the unfair laws. Personal goals are to build a fresh water system for everyone with dirty water, get straight A's all year, spend less time on electronic devices, and exercise more.

Lexi is 11 years old and has a younger sister. She enjoys playing tennis, acting, art, dancing, and crafts. Lexi said, "The best things about Longden Elementary School are all the amazing staff, all the programs, and Mr. Green". The best thing that ever happened was signing with an agent to film her first commercial for Geico Insurance. If she could change one thing, it would be to end world hunger. Personal goals are to build a teleportation device, to win a tennis tournament, guide her little sister, and volunteer more for activities.

Vidyut is 11 years old and has a younger brother. He enjoys Lego's, video games, adventure, reading, TV, Kumon, and Tae-Kwon-do. Vidyut said, "The best things about Longden Elementary School are all my amazing teachers, the nice friends I have at school, and all the people that I can rely on". The best thing that ever happened was going to Longden and helping her to be the person he is now. If he could build one thing, it would be a money maker so he could use it when he runs out. Personal goals are to graduate high school and go to UCLA, get a black-belt in Tae-kwon-do, and become an inventor.

Kai is 10 years old and has two older brothers. He enjoys Karate, watching TV, and playing with his dog Coco. Kai said, "The best things about Cloverly Elementary School are recess, math, and cooking". The best thing that ever happened was winning a medal in Karate. If he could change one thing, it would be to have everyone be more kind. Personal goals are to build a Lego house, become a teacher, earn a black-belt in Karate, and to run faster.

Brandon is 9 years old and has three sisters. He enjoys playing Fortnite, and playing with his friends. Brandon said, "The best things about Cloverly Elementary School are playing handball, seeing my friends, and my teacher". The best thing that ever happened was meeting his step-brother Jeremiah. If he could change one thing, it would be to have all homeless people find a home. Personal goals are to build a time machine, have all transformers, get an X-Box, and become President of the United States.
