NOVEMBER 21, 2017 TUESDAY 12:00 P.M. VOL. 79 NO. 8

THIS TUESDAY

David Pisarra on How to attract new club members through Podcasting. Also, Students of the Month from Dr. Doug Sears Learning Center.

LAST TUESDAY

Lt. Governor Mario Manzano made his official visit to our club meeting and also to the Board Meeting in the evening. Mario announced the theme of Governor Joni Ackerman and her "Call To Action". Things have changed, you now need a vibrant social media presence. Of course the chant is always more members which I think we are doing pretty good. There are a lot of resources online at International if we just use them.

Ron Dorazio is recovering well from knee surgery. Dan Snell thanked the club for sponsoring an American Flag for him at the Veteran's Day Celebration. Mike and Judy Lepore welcomed their first great grandson Cayden into the world.

Bob Rodenbucher offers the following information about Friends of Foster Children of San Gabriel Valley: Friday, November 24 is opening day for the Sugar Plum tree at Westfield Santa Anita mall. They are asking for your help to assure all the tree sitting shifts are filled well in advance. Please contact Carole or Bob or Cheryl Peralta at 626 798-0232 or email at kepclp@att.net. You would be a Sugar Plum if you could help in this worthwhile project.

Dan Snell meal schedule for Monday's: Helen Marston; November 20, Lisa Montesanti; November 27, Cynthia Sternquist; December 4, Jerry Jambazian; December 11, Jim Robuck; December 18, Mike Lepore. It was announced that Thursday meals are not needed at this time and the amount to cook for has changed from 6 to 4 people.

Matt Smith is announcing the December Ronald McDonald Meals of Love. Wednesday, December 6 with the theme beef. Main Dish by John Gera and Matt Smith, Salad by Dave Seltman and Ron Dorazio, Bread by Dawn Tarin, Drinks by Kathy Perini, and Dessert by Steve Montesanti and Rob Rodenbucher. Driver is Matt Smith.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. The happy students were accompanied by Emperor teacher Mr. Greg Giangregorio.

Shaun is 11 years old and in Mr. Giangregorio's class. He has a younger sister and enjoys anything in computer science. Shaun said, "The best things about Emperor Elementary are the cool events other schools don't have, enough computers for everyone to use, the awesome and cool principals, custodians, teachers, and nurses." The best thing that ever happened was getting his first computer, and meeting his best friend Harvey. If he could change one thing, it would be to stop criminals, rivals, and robbers. If he could build one thing, it would be a machine to create the sun. Personal goals are to make more friends, get no parent signatures for bad things, and become one of the best students.

Hailey is 11 years old and in Miss Trieu's class. She has a younger brother and enjoys playing basketball with her friends and family. Hailey said, "The best things about Emperor Elementary are the good communications between parents, students, and teachers. Also, recognizing students who are showing good character traits at recognition assemblies." The best thing that ever happened was when her brother was born because it gave her someone to play with. If she could change one thing, it would be to not have any more crimes. If she could build one thing, it would be indestructible houses, so everyone is safe from hurricanes, tornadoes, and earthquakes. Personal goals are to get the Girl Scout Gold Award, go to UCLA, and become an orthodontist.

Victoria is 11 years old and in Mrs. Scanlan's class. She has two older sisters and enjoys playing soccer, softball, and basketball. Victoria said, "The best things about Emperor Elementary are the teachers, my new friends, and the academics." The best thing that ever happened was scoring the winning goal for her soccer team. If she could change one thing, it would be to clean the world a little and make a place for homeless people. If she could build one thing, it would be a shelter and sanctuary for animals. Personal goals are to get into a good college, become a professional soccer player, and have a great life.
