**DECEMBER 4, 2018 TUESDAY 12:00 P.M. VOL. 80 NO. 10**

## THIS TUESDAY

We have no program planned. Board of Directors at 5:30 at the DO.

## LAST TUESDAY

Glenn Oyoung is the founder of Carcadia at Route 66, a car meet that is held in Arcadia the last Sunday of every month which is now in its 5th year. Carcadia started with a half-dozen cars in the Arcadia Denny's parking lot in 2013 and now regularly draws over a hundred cars in its new location at the Von's plaza in Arcadia off Baldwin and Duarte.

Glenn has lived in Arcadia since 2007 and his wife is an Arcadia native. He is also a die-hard gear head and the author of two children's "vehicular alphabet" books, "C is for Car," and "P is for Petersen" which he did in conjunction with the Petersen Automotive Museum. Once a month on the last Sunday from 7-9 a.m. "true gearheads" and their families and friends gather at "Carcadia" to check out rare classic cars, muscle cars and modern performance cars. Due to overwhelming growth over the last five years, Carcadia has recently moved from its original spot at Denny's (we miss the windmill!) to a larger lot at the Arcadia Hub Shopping Center - home to Von's, Starbuck's, and LA Fitness.

Carcadia has developed a reputation for drawing one of the most eclectic mixes of cars in any car meet - you're bound to see anything from a sweet custom hot rod to a concours-level build to a lifted classic Land Cruiser. In addition to the variety of cars, the chance to meet more gearhead friends in this chill, family-friendly environment make for a great monthly meet.

Matt is announcing Ronald Mc Donald Meals of Love for December. The theme is beef with the Main Dish by Ron Dorazio and Kathy Perini; Salad by Dave Seltman and Cindy Vance; Bread by Steve Montesanti (Gee I wonder who bakes the bread?); Drinks by Helen Marston; Dessert by Matt Smith and Jerry Jambazian. Driving Miss Daisy is Ron Dorazio.

It has been reported that Ron Dorazio is at Arcadia Methodist Hospital. No further information is available at this time. President Cindy is celebrating a birthday on the 30th along with Jerry and Pat's 55th Wedding Anniversary.

## STUDENTS OF THE MONTH

We welcomed three outstanding students from Longden Elementary School. Accompanying the students was their teacher Mr. Dan Ferguson. Also, we welcomed two students from Cloverly Elementary along with their Principal Mr. Stephen Martin Edo and teacher Mrs. Sally Stokes.

**Max** is 11 years old and has two older sisters. He enjoys fishing and playing baseball. Max said, "The best things about Longden Elementary are the good teachers, students, and the clean campus". The best thing that ever happened was getting straight A's and winning a baseball championship. If he could change one thing, it would be to have poor countries on a par with wealthy countries. Personal goals are to build a home for the elderly, get straight A's for the remainder of the year, have wealth when he gets older, and become a Major League baseball player.

**Nichole** is 11 years old and has an older sister. She enjoys playing the piano, dancing, singing, art, and swimming. Nichole said, "The best things about Longden Elementary are the helpful staff and wonderful teachers, the newly remodeled campus, and the amazing friends I have made". The best thing that ever happened was celebrating her fifth birthday on the Disney Cruise. If she could change one thing, it would be to change global warming. Personal goals are to build a big house for her family and friends, get good grades at Oak Avenue, become a good singer and dancer, and travel the world.

**Belinda** is 11 years old and enjoys playing handball, studying drama and becoming an actress. Belinda said, "The best things about Longden Elementary are the variety of books in the library, the great teachers and staff, and all the space to play at recess". The best thing that ever happened was getting an award that only three other students received. If she could change one thing, it would be to have more fresh water. Personal goals are to build a humongous home for her parents and loved ones, study medicine and become a doctor, receive two master's degrees in college, and become a fantastic guitarist.

**Jaden** is 11 years old and in Mrs. Stokes class. He has two older brothers and enjoys playing games and watching cartoons. Jaden said, "The best things about Cloverly Elementary are the helpful teachers, recess, and lunch". The best thing that ever happened was going on a trip to Hawaii and Japan. If he could change one thing, it would be to stop pollution from getting into the rivers and other sources. If he could build one thing it would be a massive castle and a statue of himself in it. Personal goals are to make good food and feed himself, get a dog, and receive good grades.

**Phoebe** is 11 years old and in Ms. Tenney's class. She has an older brother and enjoys hand lettering, reading, and making blended smoothies. Phoebe said, "The best things about Cloverly Elementary are the helpful teachers that have your best in mind, how Mr. Edo continues to make improvements, and the bully-free environment". The best thing that ever happened having a supportive family. If she could build one thing, it would be sanctuary for the less fortunate. Personal goals are to continue to help fellow students, learn to take care of herself and relax.
