DECEMBER 5, 2017 TUESDAY 12:00 P.M. VOL. 79 NO. 10

### THIS TUESDAY

Scott Wardlaw will speak about the Christmas Tree Lane in Altadena.

### LAST TUESDAY

Dan Griffin was our speaker for the day. Dan's work and life is dedicated to exploring and redefining what it means to be a man in the 21st century. Dan is dedicated to helping men be better men by understanding the impact of the Man Rules on their lives and finding the success in their personal lives they are striving for in the professional lives. Griffin's book, *A Man's Way through Relationships*, is the first book written specifically to help men create healthy relationships while navigating the challenges of the "Man Rules," those ideas men internalize at very young ages about how to be real boys and men. In 2015, Dan was honored to be named a Senior Fellow at the world renowned leader for treating addiction and trauma, The Meadows.

Griffin's professional background includes over two decades in the mental health and addictions field. He is also the author of *A Man's Way through the Twelve Steps*, the first trauma-informed book to take a holistic look at men's sobriety. He co-authored *Helping Men Recover*, the first comprehensive gender-responsive and trauma-informed curriculum for addiction and mental health professionals.

It was good to see Cindy Vance back again off her sick bed. Guest were Lisa Montesanti and Marie Leonard. Jim & Cheryl Robuck are inviting you to *The Marvels of Christmas*. The Sierra Madre Chorale will have their production at St James United Methodist Church, 2033 E Washington Blvd, Pasadena on December 15 and 17. Please contact Jim for details.

Bob Rodenbucher offers the following information about Friends of Foster Children of San Gabriel Valley: Friday, November 24 is opening day for the Sugar Plum tree at Westfield Santa Anita mall. They are asking for your help to assure all the tree sitting shifts are filled well in advance. Please contact Carole or Bob or Cheryl Peralta at 626 798-0232 or email at [kepclp@att.net](mailto:kepclp@att.net). You would be a Sugar Plum if you could help in this worthwhile project.

Dan Snell meal schedule for Monday's: December 4 - Jerry Jambazian, December 11 - Jim Robuck, December 18 - Mike Lepore. It was announced that Thursday meals are not needed at this time and the amount to cook for has changed from 6 to 4 people.

Matt Smith is announcing the December Ronald McDonald Meals of Love. Wednesday, December 6 with the theme beef. Main Dish by John Gera and Matt Smith, Salad by Dave Seltman and Ron Dorazio, Bread by Dawn Tarin, Drinks by Kathy Perini, and Dessert by Steve Montesanti and Rob Rodenbucher. Driver is Matt Smith.

Our annual Christmas Party will take place at the Old Spaghetti Factory on Tuesday, December 12. The festivities will begin at 6:30 with three choices for dinner at \$20 a copy. Please see Steve Montesanti for your reservation. Please note there will be two dates that we will not be meeting at noon, December 12 and December 26.

### STUDENTS OF THE MONTH

We welcomed three students from Longden Elementary School. Accompanying the students was their teacher Mr. Randy Green.

**Aldon** is 11 years old and has two sisters. He enjoys reading books, playing video games, and hanging out with his friends. Aldon said, "The best things about Longden Elementary are the cheap lunches, kind students, and the diversity." The best thing that ever happened was being born so he could be the person he is today. If he could change one thing, it would be that he should have skipped a grade. If he could build one thing, it would be a machine that would do projects for him. Personal goals are to get rich, make the world a better place, and find happiness.

**Eileen** is 11 years old and has an older brother. She enjoys dance, debate, playing the flute and piano, and magic class. Eileen said, "The best things about Longden Elementary are my friends, the education I receive, and my 6th grade teacher, Mr. Green." The best things that ever happened was my trips to Six Flags, Universal Studios, Dave & Busters, her life, parents, and friends. If she could change one thing, it would be her past, she was not always the best person she could be. If she could build one thing, it would be a machine that could turn horrible and sad people into kind, happy, and smart people. Personal goals are to be a good person, care for her family forever, and become successful in life.

**Angeliene** is 11 years old and enjoys reading, art, playing volleyball, and swimming. Angeliene said, "The best things about Longden Elementary are the clean campus, the big and open space, the amazing faculty and staff." The best things that ever happened was going on a cruise to Alaska. If she could change one thing, it would be ban ocean pollution and make less plastic. If she could build one thing, it would be an air powered car. Personal goals are to get straight A's, improve her handwriting, and help at school as much as possible.
