DECEMBER 19, 2017 TUESDAY 12:00 P.M. VOL. 79 NO. 12

THIS TUESDAY

WE WILL NOT BE MEETING FOR THE NEXT TWO TUESDAYS. Our next regular meeting will be Tuesday, January 9, 2018.

LAST TUESDAY

Councilmember Nan Fish was our featured program for the day. Nan is a 34-year resident of Temple City and began her volunteer life in the early 1990's, when her children were young. She has served with TC Youth Football, PTA's, Ramrodders, American Little League, Youth Cheer, AYSO Soccer, and Grad Night.

She will be completing her third year on the City Council. Prior to her Council position, she served as Camellia Festival Director for eight years, and 10 years on the Parks & Recreation Commission. If this was not enough, she became a White-Suiter for the Pasadena Tournament of Roses.

Nan stated that if you like people, then the Tournament is for you. She was invited by Kathy Perini 9 years ago to apply. With over 900 volunteers you would think you just show up and say "I am here, Use me". It did not work that way. There were several processes to become a part of this great group that puts on the greatest show on earth every New Year's day.

There are three committees you must serve on for two years each: 1) Formation, 2) Parade Operations, and 3) Post Parade. The theme this year is "Making A Difference" with the Grand Marshal Gary Sinise. The Rose Bowl game will feature Oklahoma and Georgia.

Matt Smith is announcing the January 3rd Ronald McDonald Meals of Love with the theme casserole. Main Dish by Ron Dorazio and Kathy Perini, Salad by John Gera and Matt Smith, Bread by Steve Montesanti, Drinks by Dawn Tarin, and Dessert by Dave Seltman and Cindy Vance. Driver is Ron Dorazio.

STUDENTS OF THE MONTH

We welcomed three outstanding students from Emperor Elementary School. Accompanying the students was Emperor teacher, Mrs. Shelley Scanlan.

Stephanie is 11 years old and in Mr. Giangregorio's class. She has a younger brother and enjoys playing the piano, drawing and writing, and taking photos. Stephanie said, "The best things about Emperor Elementary are having an amazing class, the nice and helpful community around me, and having an outstanding Principal and teachers." The best thing that ever happened having life, so she can go on her amazing journey with love. If she could change one thing, it would be to end selfishness, arrogance, and hate throughout the world. If she could build one thing, it would be a place where everyone could write down their struggles without being judged. Personal goals are to become more patient, become a better student, friend, and sister, to learn to forgive and not hold any grudges.

Nicole is 11 years old and in Miss Trieu's class. She enjoys swimming, art, and playing the piano. Nicole said, "The best things about Emperor Elementary are my friends, the school parties, and the great teachers." The best thing that ever happened getting her three cats. If she could change one thing, it would be to change the lives of the homeless and take care of them. If she could build one thing, it would be homes for the homeless. Personal goals are to get A's on all three trimesters, to win gold in the Science Olympiad, and save animals and rescue them.

Joshua is 11 years old and in Mrs. Scanlan's class. He has a younger brother and enjoys reading, pets, such as puppies, lizards, snakes, and rabbits. Joshua said, "The best things about Emperor Elementary are my teacher, Mrs. Scanlan, the books, and my friends." The best thing that ever happened was knowing he was going to be in Mrs. Scanlan's class. If he could change one thing, it would be to end all the evil in the world. If he could build one thing, it would be a machine to produce food for the poor. Personal goals are to get good grades, help anyone that needs help, and be the best he could be.
